

German Shorthaired Pointer Club of America BOD Meeting/June 2019 Board and Committee Reports

President's Report (Sharon Fitzpatrick)

As I sit down to write this report I have just completed my 3rd week as the President of the GSPCA so at this time I really don't have a lot to report. I do however have a lot of people to thank.

First off I want to thank the outgoing board members – Diane Prohaska and Liz Jennings for their many contributions to the GSPCA. They have both spent countless hours in the service of the club and their input on the board will be missed.

I have a very special thank you for Terry Chandler for his leadership for the last nine years. He has helped to make this a smooth transition for me and I appreciate his willingness to continue to allow me to pick his brain as I learn the ropes of this role.

My first event as President was our National Specialty Show in York, PA. It was a pleasure to see a lot of folks I hadn't seen for a while and to spend time with a number of members I had never met before. You will be reading a complete report of the event in the upcoming Shorthair Journal but I can tell you firsthand the committee once again did a great job putting on a class event. I cannot begin to list all of the people who helped in some way to made it a memorable event but I want to thank each and every one of you for your time and commitment.

My first official duty was assisting at the Awards Dinner where we recognized the 2018 Annual Awards and the 2019 NSS winners. Congratulations to the breeders and owners of the dogs honored as well as the members who earned recognition this year.

My last thank you goes to the incoming and continuing board members – I thank you for your willingness to volunteer your time and your ideas. I look forward to serving the GSPCA with you.

Recording Secretary's Report (Cyndi Boysen)

I attended and recorded the minutes for the January 2019 GSPCA BOD meeting. I attended and recorded the minutes for some of the conference calls of the NSSEC. I set up conference calls for the NSSEC, the H&W committee, the Judges Education Webinar committee, and the Outstanding Sportsmanship Award committee. I prepared the agenda for this BOD meeting, the NSS Delegates meeting, and the Annual Meeting of the Membership. I was unable to attend the NSS at York, Pennsylvania in May. Lynn Pettinato, Corresponding Secretary stepped up and performed my duties of attending and recording the minutes for the NSS Delegates meeting, the NSSEC meeting and the Annual Meeting of the Membership. For the 2019 NSS, I transcribed all judges' critiques of the conformation classes, sent the critiques to the judges for revision, then sent the critiques to the *Shorthair Journal* for publication. I continue the practice of having the webmaster send out email blasts to the membership encouraging submission of board meeting agenda items. I managed and recorded the following motions via email:

--carried by majority on February 13, 2019: Motion: Approve the letter below to be sent to Leita (Estes, in response to her Breeder Mentor program proposal).

Dear Leita and Suzanne,

Thank you very much for your patience with the Board of Directors and the Judge's Education Committee.

The Board appreciates the thoughtfulness and time that was put into your proposal. We do believe that your proposal has brought up some valid points and concerns, but at this point the Board does not feel that we should completely scrap the Judge's Education committee for the Breeder Mentor program that you and Suzanne have proposed. So, our answer is "no".

As you may have seen, Christy Douglas-Featherston, current Judges Education Chair, has sent another email blast requesting new chair applications. The board is committed to moving Judges Education forward and will be appointing a new chair within the next 30-60 days.

We have just notified the membership of this vacant position and if you re of interest we welcome your application.

Regards,

Lynn

Yearly Specialty Shows continue by the Major Clubs

Washington, Oregon, Sacramento. Other clubs more focused on Training and field events. Specifically, Idaho.

Yearly Field Trials continue but aren't growing. Just maintaining or getting smaller entries. Really aren't seeing new people in the sport.

Hunt Tests – Quite a few are being cancelled due to entries. While others, are growing in specific areas. This is clearly due to clubs that are doing Double- Doubles. Two clubs usually GSP and Brits combining. Last year one club had 21 braces of Junior. This allows getting a JH in a weekend.

Few complaints, some regarding L.D. but resolved. Spend a lot of time education people on L.D. the board's stance and not having research published. Registration and paperwork continue to be the biggest, with breeders not supplying paperwork. But then again, increase of litters and aren't members to take any actions.

The weekly Information articles continue to be a success, with positive feedback, and people participating by sending articles to share.

NAGDC Executive Committee Report (Caleb Bryson/liaison-Dean Goodding)

Report Prepared By: Caleb Bryson

Date: 5/31/19

1. Provide a summary of activities since last submitted report:

The 2019 NAGDC at Wasatch Wing and Clay at Cedar Fort , UT was a success by all measures. There were 32 top quality GSP's entered and handled by 23 top amateurs. The new entry requirements added several new entrants to the overall total. Handlers came from 9 states and one Canadian Province. The early approval, aggressive promotion of the event and repeat venue in Utah from 2016 for sure helped the entry numbers.

The Championship was run over 3 days. 10 braces of first series day 1, 6 day 2 with the second series of 7 braces on day 3. All 3 days were cool and dry so conditions were ideal for dogs and handlers. The GSP of Utah did an outstanding job hosting the trial. They had experienced and quality individuals for all functions from bird planters and gunners to scribe to hospitality, lunches and banquets. Having a capable host club or clubs is an important necessity to have a quality NAGDC.

Next year the event will return to Pyramid State Park in Pickneyville, IL. The Fort Dearborn GSP Club will serve as the local club to assist with finding volunteers. Christine Policandriotes will serve as Secretary of the event. Dates the first weekend of April have been applied for and we are waiting approval from the IL DNR. Once the date is approved we will post information to the website and begin advertising.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

Adding Master Hunters and dropping to 2 judges was a success from an entry and financial perspective.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

Will be provided separately.

4. Committee Needs (please list in order of importance):

Several new committee members are needed. A job description will be put together so that it can be posted to the website and blasted to members. May need help in identifying additional individuals to serve.

5. Action Items for Board consideration:

None at this time.

NAGDC- Liaison Report

Report Prepared By: Dean Goodding

Date: 6 2 2019

- 1. Provide a summary of activities since last submitted report:**

Held in Lehi, Utah. Better turn out than Prior West coast events. My opinion is because of the changes that were made. Walking Trials and master Hunters meshed very well. Venue was great and local support was really awesome. They even had non- club members out helping

- 2. Indicate any changes made for improvement, result of changes and any requested future changes:**

Continue the high level of exposure for the next event through advertising. Especially fall of this year, so people can plan vacations around the event. Biggest suggestion that I heard. Catalog needs improvement for more ads

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

Report coming from the committee. First impression is that it made some money. Because of entries, and the food was good and didn't need to be fancy, with revenue monies spent on this.

If held again in the same location, there is opportunity to have events around Hunting or shooting. Team Shooting, Calcutta for best shot, etc.

NSS Executive Committee Report (Jane Handshumaker/liaison-Becky Feigh)

Report Prepared By: Jane Handschumaker Date: June 3, 2019

1. Provide a summary of activities since last submitted report:

Conducted and governed the 2019 NSS held in York, Pa. with a total of 313 dogs entered with a total of 539 entries (2018: 200 dogs entered with a total of 348 entries). Activities held at and in conjunction with the NSS included:

- a. Prior to the NSS The Mason – Dixon German Shorthaired Pointer Club held a hunt test and a specialty show.
- b. Schuylkill Valley GSPC held their regional on Tuesday.
- c. Activities held at the GSPCA NSS included, 2 Rally trials, 2 Obedience trials, Sweepstakes, Futurity, Top 25 Gala, Parade of Titleholders, Parade of Jrs, Health Clinics, Jr Handler activities, Lucky Duck raffle, General and Basket raffles, general merchandise sales, AKC Judges' Education and Seminar, Annual Awards Banquet, the Delegates meeting and the annual membership meeting. The NSS also hosted our first Pee Wee class and our first 4-6-month beginner puppy show.
- d. The NSS Executive members elected were, David Gontz of the NE Section and Sharon Dattilio of the SE Section.
- e. There was one incident of a participant not picking up after their dog. That was addressed, a fine given and it was paid in the amount of \$100.
- f. Items to be addressed in the next premium list will include no tie outs or chain gangs at the NSS. No electronic bark collars on dogs at show.
- f. The hotel did communicate with me following the show about some concerns: some duvets were ruined, and damages not paid for. I have asked for the room information and room assignment in order to address the damages. The duvets were soiled with mud and some had blood on them. I will forward information as soon as I have it.

2. Indicate any changes made for improvement, result of changes and any requested future changes:
 - a. The Committee finalized their recommendation to distribute the Premium List electronically. The email list submitted to the show secretary was used to send out the premium list and anyone who wanted a hard copy requested that from the show secretary. This one change potentially saved the club \$1,200 - \$1,500 with additional savings in printing costs. The final cost saving has not yet been finalized.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
 - a. As of June 1, final figures from the NSS Hotel have not yet been verified. I have requests submitted for various credits, one of which was room night credits which we have received. The two Club's prorated expense/revenue cannot be finalized until the final total Hotel bill has been approved... I do expect to show a profit due to the higher entry by location, also the general management changes the NSS Committee made helped to ensure a better financial outcome. The East coast NSS traditionally shows a profit and has a much larger entry.
4. Committee Needs (please list in order of importance):
 - a. The NSS Executive Committee will continue to consider cost saving initiatives along with identifying areas of expense that are not the responsibility of the NSS.
An example is the Futurity is to cover all cost pertaining to the Futurity.
The rooms provided for Officers will not be assigned to the NSS budget expenses.
 - b. The NSS Executive Committee will be submitting 2 names for the 2020 NSS dedication, the request will include a brief informational summary for each person submitted.
5. Action Items for Board consideration:
 - a. Approval of the 2022 Show site: The Delta Baltimore Hunt Valley Hotel, Hunt Valley MD
Sharon Dattilio went to Hunt Valley and I believe that Barbara was there as well and found the facility to be very acceptable. The Whippet Club of America held their National Specialty there and was very happy with the facility.
 - b. Approval of the 2022 NSS judges:
Breed/Regular & Non Regular Classes – Ms. Gretchen Schultz
Sweepstakes & Veteran Sweepstakes – Ms. Melissa Campbell
Futurity: Ms. Patty Engle

Unfortunately, I had a family emergency and had to go home on Monday. So please know the Committee did a great job.

I would like to thank the Committee for managing the show and keeping the ball rolling,

Rayanne for her genius pizza gala perhaps a great tradition has been born. I would like to recognize David Gontz for his hard work and willingness to do the job (his first year on the Committee). Everyone stepped up and worked to ensure the event was successful. My most heartfelt appreciation for this.

Report Prepared By: Jennifer Averitt **Date:** 5/24/2019

Merchandise had 92 pre-orders for pick/ship and 1 order for judges. This is up 16 orders from 76 pre-orders at the 2018 NSS.
2. Indicate any changes made for improvement, result of changes and any requested future changes:

3. Financial Summary and planned future budget (include any explanations of a loss/decline):
Merchandise made \$6,252.46 in profit for 2019 NSS. This is up \$859.97 from 2018 NSS profits.

NSS Top 25 Gala and Art Auction (Leita Estes)

Report Prepared By: Leita Estes Date: 5/24/19

1. Provide a summary of activities since last submitted report:

I am pleased to say the Top 25 Gala and Art Auction event was another beautiful well attended event. The Art Auction was a huge success which tells me how important and meaningful it is to have a specific health issues we are raising money for. The H&W committee can work on what our next year's disease focus will be. The Top 25 Committee heard many comments on how attendees truly enjoy the event. This year we had 130 people attend for dinner. We also added a ribboned off area for the judges seminar attendees which I think is a great idea to give them a chance to see our top dogs. The hotel was wonderful to worked with and I heard from many attendees the dinner was the best we have ever had for the Top 25.

NFT Executive Committee Report (Phil Mathiowetz & Kevin Temple/liaison-Will Barbee)

2019 June NFT Report to the Board

The 2019 NFT will again be held at the Bechtel Ranch in Eureka, KS. The trial will begin on October 14th, 2019 and run to conclusion.

We are currently under way securing judges for the event. A complete list will be forwarded to the Board through the NFT Liaison as soon as the list is finalized.

We anticipate approximately the same budget as last year, however the committee is continuing to research possible cost saving ideas. One area we will need to address is the freezer unit. Unfortunately, the compressor failed last year during the trial. We currently have a bid of approximately \$1500 to replace the unit with an up to date unit which requires less electricity to operate and is more efficient than the old unit. The price was supplied by one of our field trial family in the refrigeration business and reflects the cost of the unit. He will supply the labor for free.

The running order for the NFT will be the same as last year with the Amateur Championship starting off the trials, followed by the Futurity, the All Age, and the Open Gun Dog.

We still need to contact Shelly from Silverado Restaurant, to secure our cooking schedule, but all other aspects concerning vendors such as birds, etc. have been secured. The Field Trial Permit has already been approved, and I will be talking to the ranch owner in the next week to keep him up to date.

Lastly, the NFT Committee is working with the ranch owner regarding an incident involving two competitors during last year's NFT. We will keep the Board informed on any final decisions. Please let us know if you have any questions.

Versatility Report (David Nauer/liaison-vacant)

Report Prepared By: David Nauer

Date: 29 May 2019

1. Provide a summary of activities since last submitted report:
 - a. Quarterly Awards processed and mailed for 1Q19. Awards for 2Q19 will be processed at end of June.
 - b. The Website has not been updated since 2Q16 with Award winners. I've submitted intermittent updates through 3Q2018 but have not bubbled up on priority for the website to be updated.
 - c. 2019 VCA and VCX trophies awarded at NSS with one issue.
 - d. Quarterly award report for 1Q2019 awards sent to Shorthair Journal
 - e. Candidates for committee review of scent work and dock diving identified, but no meetings have yet been scheduled.
 - f. Additional 100 VC Label pins ordered and received. Supplies should be adequate now for the next 5 years or longer.
2. Indicate any changes made for improvement, result of changes and any requested future changes:
 - a. The January BOD meeting approved this committee to review three categories and move forward with changes to the program. I've requested committee members from the membership and have identified qualified GSPCA members to form that committee. Unfortunately, during this reporting period, I have not started those meetings. I plan to complete that review by end of 3Q2019 and will make recommendations to the board at that time. The areas are:
 - i. Dock Diving – move to VCA/VCX categories out of other category
 - ii. Coursing – DCAT to be added to "Other" Category for FASTCAT
 - iii. Scent Work – this is a new AKC program to be added to Tracking category – this one has a lot of attention and focus and a number of members are asking this be added to the program. I do feel this committee should try to complete this action as noted by 3Q.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
 - a. Cost of trophy production and mailing paid to Cindy Smullen (who coordinates with the award shop for the acrylic trophies) completed
 - b. VC Pins ordered and paid for by GSPCA in 2Q2019
4. Committee Needs (please list in order of importance):

- a. Prioritize time to update VC, VCA, and VCX awards to reflect titles added through 2018 (a two-year update) to the website. The website demands are many, and a lot of things need to be done with it – I think it is time to get those awards updated for the current multi-year gap.
 - b. Liz was our committee liaison – with the new board makeup has a Versatility Committee liaison been identified?
5. Action Items for Board consideration:
- a. At the NSS Banquet this year neither Cindy nor I could attend and I had WONDERFUL support from Tiffany. Her work stepping up and getting those awards reflected in the presentation should be commended. However, I'd like to note that this program is STILL not truly integrated with the award process at the NSS (it appeared to be an afterthought at the end of the banquet) – I really desire these awards to be fully a part of the responsibility of the NSS Awards committee to ensure the trophies are received and planned for presentation just like the Duals, DOY, and Sire/Dam awards are done – in a seamless action (e.g. I'd recommend the award process to be Duals, Versatility, DOY, and finally Sire/Dam of the year – and a single presenter does all of them in that order at the NSS Banquet).
6. Note: A mistake was made in the creating of the acrylic trophies for this NSS where one trophy was not properly made (it was instead a duplicate). The awardee was disappointed that it was not available at the NSS, but a new trophy was made and should be in the awardee's hands by this time.

Agility Report (Jeri Fishack/liaison-Lynn Pettinato)

Obedience/Rally Report (Eleanor Campbell/liaison-Lynn Pettinato)

Report submitted by Eleanor Campbell

SUMMARY OF ACTIVITIES SINCE LAST SUBMITTED REPORT:

1) There were two days of Obedience and Rally competition at the 2019 NSS in York, PA. The on-site Roy Jones superintendent laid out plastic and set up the ring the night before. My

husband, Darrell Swank, a new member, helped me set up the ring board and set out rosettes each evening. Char Rutar delivered the trophies promptly. Lucretia Coonrod delivered the box with additional rosettes. Many people volunteered to steward. There was a lot of applause and cheering. I think everyone had a good time.

2) Belinda Venner continues to do an excellent job keeping the Obedience and Rally statistics. The new Rally Master class has been added. The standings now appear along with an explanation of the ranking system. Many thanks to Belinda and to Patty Busso for this improvement.

FUTURE IMPROVEMENTS

1) NSS

There were a few glitches which I plan to address at next year's NSS.

- *There was confusion as to which trial was the National Specialty. The premium list simply designated them as Trial 1 and Trial 2. I will request clarification in next year's premium list.

- *The Superintendent, Roy Jones, did not schedule enough time for the obedience portion of the day. When I reviewed the draft premium, it was clear that the AKC time guidelines had not been followed. I requested and received additional time but realized later that no allowance had been made for lunch. Even though each judge only judged 5 1/2 hours of obedience each day, the time ran through the lunch hour. Additionally, lunch was only served until 12:30 on Wednesday and 1:30 on Thursday, so the judges had to break for lunch if they wanted to eat. So, Rally judging to began considerably later than listed in the Premium List.

- *There was endless difficulty with the matting, at the spot where the rug met the dance floor. The Superintendent on site was excellent about coming and fixing the mats, which slid, causing large wrinkles and bumps. This caused additional delays.

- *We were short New Title Rosettes and at least one green qualifying ribbon. I gave a complete list of people who had not received them to Lucretia. Rally entries exceeded my expectations, thus the lack of a qualifying ribbon.

2) RANKINGS

Belinda and I would like to see the year end member Obedience and Rally rankings appear in the Shorthair Journal. For 2019, they do appear on the GSPCA website, but did not appear in either the January/February 2019 or March/April 2019 issue

3) TOP TEN

I would love to recognize the Top Ten teams in Obedience and Rally. However, I haven't been able to come up with a good idea of how to raise the money to purchase rosettes. I appreciate that the GSPCA supports two obedience and two Rally trials at the NSS, with the attendant judges' fees, hotel and travel expenses and prize costs. If anyone has a good idea of how we

could raise money so we can recognize the Top Ten in these two sports, I am open to suggestions.

2020 NSS

Karen Combs has agreed to be the co-chair with me next year.

Thank you,
Eleanor Campbell

Of the 55 approved trials, 5 were cancelled leaving 50 actual completed trials. One of the completed field trials was a regional trial - North Central, one of the trials was a national - National Amateur Gun Dog and seven of the trials were NGSPA dual sanctioned trials.

ADDITIONAL COMMITTEES

Annual Awards Report (Tiffany Cessna/liaison-vacant)

Report Prepared By: Tiffany Cessna

Date: 5/22/19

1. Provide a summary of activities since last submitted report:

I have completed all tasks for the 2018 awards including:

- Getting the dual champion report from AKC, confirming names for name plates and ordering them.
- Sending a copy of the plaque proofs to each recipient and having them approve it prior to submitting the pages to Monarch
- Submitting all plaque proofs to Monarch to be made
- Receiving Plaques and dual champion trophies and bringing them to the NSS
- Setting them up at the NSS
- Creating and running the Awards slide show
- Mailing out all awards to owners that did not pick up at the NSS

2. Indicate any changes made for improvement, result of changes and any requested future changes:

- Starting a "GSP of Achievement program" for GPS that acquire titles that are extremely hard to achieve like:

- | | |
|-------------------------|-------------------------|
| -OTCH (1 in 2018) | -MACH (3 in 2018) |
| -RACH (1 in 2019) | -AGCH (1 in history) |
| -FC/AFC (51/30 in 2018) | -NAFC/NFC (1/1 in 2018) |
| -GCHP (1 in 2018) | -VST (1 in 2018) |
| -RATCH (2 in 2018) | |

The Shorthair is supposed to be a versatile dog and I feel the parent club should promote that. I think acknowledging the dogs and their owners that received these titles is a step in that direction. I am willing to do all the foot work for this program if it were to get added. One of my thoughts was to run quarterly fund raisers to support the financial cost of ribbons or trophies or plaques that would be dispensed.

1. Provide a summary of activities since last submitted report:

Orland MTB event submitted for February 2019 BOD Mtg.

Still looking for a local individual to undertake the organization of this event. Previous SE Section volunteer has moved to the NC Section.

Westminster MTB - Saturday - 9 February 2019 –

For the second year Katy Tazza has manned the booth and designated the point of contact for AKC. Unfortunately, the reduced rate reserved parking procured by AKC was problematic. It was not located within close proximity of the Piers and didn't accommodate large sized vans. After the event at the Pier individuals including Katy had to wait in freezing weather up to an hour to get their cars. Multiple Parent Clubs have voiced displeasure about the parking situation because less expensive parking with little to no wait time was available and as one individual stated, "Nobody should have to risk hypothermia to volunteer for Meet the Breeds."

History - The GSPCA, Inc. Breed Education Committee upon request has supported and/or provided materials for GSP Meet the Breeds (MTB) on both local and national levels since 2009.

The first request came from the Eastern GSP Club for an event at the Garden Specialty Association event prior to the Westminster KC shows. As a result a packet of materials was developed for use at future MTB events if the GSPCA, Inc. Breed Education Committee was contacted.

GSPCA, Inc. BOD Action - June 2011 BOD Meeting - it was suggested MTB be permanently assigned to the Breed Education Committee.

January 2012 BOD Meeting - the GSPCA, Inc. to undertake responsibility for the AKC national MTB being held in-conjunction with the **Westminster KC Dog Show** and the **AKC National Championship Dog Show** - Any future event of same nature. Breed Education Chairman directed to develop policy manual and protocols.

Statement of Purpose: AKC Meet the Breeds provides Parent Clubs a setting to showcase their Breed where the general public can learn about and interact with the dogs in a casual setting. Also this is an opportunity to educate about the Parent Club and the Local Member Clubs.

All individuals involved with the MTB are expected to act in a friendly and courteous manner at all times.

No other business may be promoted and/or conducted during the MTB event by individual(s) or GSP breeders toward specific kennels or dogs. This is all inclusive of any activity that is not related to talking about the breed in general and providing the approved materials/handouts.

Westminster KC Dog Show - (one day event held on the Pier) efforts should be made to assure the booth is attended during the designated timeframe. Absolutely no dogs are to be left unattended even if crated.

AKC National Championship Dog Show - (two day event 10 -4) efforts should be made to assure the booth is attended during the designated timeframe. Absolutely no dogs are to be left unattended even if crated.

--Obedience Dogs (Ginger Sammonds)

Report Prepared By: Ginger Sammonds

Date: 5/31/2019

1. Provide a summary of activities since last submitted report:

My committee and I have had many conversations regarding our original proposal of changing the Obedience HOF award to the Companion Events HOF. We have spent quite a bit of time refining our explanations and reasons for this proposal.

2. Indicate any changes made for improvement, result of changes and any requested future changes: Please see below for explanation.
3. Financial Summary and planned future budget (include any explanations of a loss/decline): I'm still missing guidance on a budget for this committee.
4. Action Items/Committee Needs for Board consideration (please list in order of importance):
BOD approval for the proposal listed below.
BOD approval to waive the requirements for the HOF Companion to be deceased in order to qualify for the award.
Guidance on budgetary requirements for this committee.

I would like to propose that the BOD consider instead of just an Obedience HOF award, we change the committee to a Companion Dog HOF award that would include Obedience, Rally, Agility, and Tracking. All four of these venues offer a Championship title and require high levels of training to accomplish those titles. Our proposal is not to have a dog earn each of these Championship titles in order to qualify for a HOF as that would be more in line with the Versatility Award program, but to earn a Championship in any one of these venues with additional higher reaching requirements to acknowledge the outstanding skills and training of a dog and handler team worthy of additional recognition. One important point that the committee wants to stress is that in the Companion Events, dogs are not sent off to be trained or handled by professionals. These venues are strictly for amateur dog and handler teams who live and train together for years to accomplish their goals.

Our requirements for an Obedience HOF award include the following:

1. An OTCH (Obedience Trial Champion) title **OR**, for obedience dogs competing prior to 1977 when the OTCH was created, will need 10 scores of 195 or higher from either Open B or Utility. In addition, these dogs will need 3 first placements in each of Open B and Utility.
2. 5 All Breed High in Trial awards with no more than 2 of these awarded from the Novice class.
3. Must have competed at least once at either the NOC (National Obedience Championship), the AKC Classic, AKC Invitational, or, in the case of dogs competing prior to the advent of these competitions, the Gaines Invitational.

There are currently 19 OTCH GSP's at this time, but it is unknown how many of this number would qualify for HOF with the additional requirements we have listed.

Our requirements for a Rally HOF would include the following:

1. A RACH (Rally Champion) title.
2. A total of 10 scores of 100 from any combination of Advanced B, Excellent B, and Master class with a minimum of 2 scores of 100 from each of the Advanced B, Excellent B, and Master class. These scores can be earned at any time, not just in completion of the RACH title.
3. Must have competed at least once in the RNC (Rally National Championship).

At this time, I believe there is one RACH GSP.

Our requirements for Tracking HOF would include the following:

1. A CT (Champion Tracker) title.

The CT title is issued for dogs that have earned the 3 previous tracking titles (TD or TDU, TDX, and VST) so it is more of a cumulative title rather than an additional achievement. Tracking titles are all pass/fail events so it is not possible to have additional requirements beyond the CT. There is a CT Invitational event but because the entry is very limited, I do not think it is reasonable to require participation as a part of the HOF requirements.

To my knowledge, there are 3 CT GSP's at this time.

Our requirements for Agility HOF would include the following:

1. An AGCH, Agility Grand Champion title.
2. Must have competed at least once in either the AKC Agility Invitational or the NAC (National Agility Championship).

Additional Information

Waive the requirement that a HOF dog be deceased in order to qualify for the award. In the Companion events, many of the dogs competing are spayed or neutered. One of the primary reasons is that bitches in season are not allowed to compete in any of the Companion events. By extension, this means that these dogs are not reproducing. The focus of a Companion HOF award is the excellence of the dog and handler team in their chosen sport, not on the get produced from the high achieving dog. On the original application for the obedience HOF form, get are not even mentioned as a requirement. As such, the requirement for the dog to be deceased is not a necessity for this award. As an aside, the Golden Retriever Club of America does not require their HOF dogs to be deceased in order to qualify for an award.

Suggested wording for this is: All dogs fulfilling the requirements of any of the Companion HOF awards are eligible to apply. This includes both living and deceased dogs.

I would like to also further explain our requirement for all of the applicants, with the exception of the Tracking HOF award, to have competed in at least one national event. This is included to address the original requirement that a HOF dog contribute substantially to the breed in promoting obedience. Our feeling is that a HOF dog having competed at a national event specific to their venue is a substantial and public promotion of the versatility of the GSP. There are so few GSP's who compete at the highest levels in the Companion events that having them compete at national event is a wonderful promotion for our breed.

Additional requirements follow the guidelines already in existence for the other HOF awards.

HOF Nominations received by December 15th of each year will be considered at the January Board of Directors' Meeting for presentation (OF AWARD) at the National Specialty Show

Dogs born January 1, 1975 and after will be considered only if their owner has been a member of the GSP Club of America for at least three years. They can be eligible if multiple owned, provided one of the owners of record is a Parent Club member. Certification of GSPCA membership lies with the owner. Dogs (candidates) will be elected at the Board of Directors meeting in January and June.

I want to thank my fellow committee members Belinda Venner and Jeanine Wright for their insight and help in drafting this proposal.

Thank you for your consideration of this proposal.

Health & Welfare Report (Karen Nauer/liaison-Becky Feigh)

Report Prepared By: Karen Rooks Nauer Date: 29 May 2019

1. Provide a summary of activities since last submitted report:

The focus of the Committee for 2019 is to raise \$25,000 for hemangiosarcoma research from members and the GSPCA will match the \$25,000 from the Purina designated fund for a total of \$50,000. The Committee will focus on updating the content on the website and providing articles to the Journal.

The Committee had health clinics at the 2019 NSS and an open panel discussion. Both the clinics and the panel discussion were poorly attended due to conflicting events and judging. The Clinics provided 30 eye exams, 5 DNA collections and 10 samples to UC Davis for CD/Color. We only had 12 attend the panel discussion.

The true success was the fund-raising for the hemangiosarcoma project:

\$2,250 (60% of the chair sales; 40% went to the NSS, \$1,500) – Sold 15 Chairs

\$280- t-shirts

\$100 - pins

\$1,494 - online auction

\$1,000 -Southern Arizona GSP Club

\$5,671.72 – Top 25 Profit* - based on BOD approval

\$10,795.72

The hemangiosarcoma fund was at \$7,810 before the NSS. If the BOD approves the profit from the Top 25, the new amount will be \$18, 605.72 – Yahoo!!!

2. Indicate any changes made for improvement, result of changes and any requested future changes:

The committee will discuss the value of having clinics at the NSS. More health clinics are available across the country and the efforts of the committee may be better spent on education and the website. Staffing and planning health clinics during the week is very difficult.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):
Planning on a \$25,000 match from the GSPCA designated Purina fund for the hemangiosarcoma campaign. The committee plans to use some funding (estimate \$1,500) from the GSPCA H & W fund for expenses associated with the clinics and rewards for members who donate to the fund-raising campaign. The committee did purchase pins, t-shirts, pay for the health clinics at the NSS with some expense covered by members. The members paid the full cost for the CD/color test.

Expenses to date:

Pins - \$742.75

Historian Report (Patte Titus/liaison-Christy Featherston)

Report Prepared By: Patte Titus, Chairman

Date: 31 May 2019

1. Provide a summary of activities since last submitted report:

The Club's historical records reside in the home of the Historian and kept separate in specific marked boxes.

Note for record: Due illness the timeframe to accomplish the records being sorted and sent for archiving was not accomplished in the 2018 year timeframe.

Waiting on an answer from Dan Miller who works with Andy Gerdes' company (Dallas, TX) to ascertain if the 2018 BOD approved contact details to scan and digital archive the records would be the same for 2019.

Work to sort and remove non-essential blank forms and duplicate items is ongoing. In the process multiple duplicate notebooks for HOF Dogs were discovered but to date no record of submission forms for HOF Individuals.

2. Action Item for Board Consideration:

Does the Board want the following archived: Early NSS portfolios photos, Dog HOF portfolios to include pictures, NFT catalogs, early Shorthair magazines, Newsletters

This application was sent to the AKC Judging Operations Department April 16th, 2019

Application for Requested times for our Presentation with a focus on Breed Type and the Essence of the Breed. 1st choice - Dec. 11th – 8:00am, 2nd choice – Dec. 11th, 11:00am, 3rd choice – Dec. 12th – 8:00am.

I plan to present at this event along with the assistance of Shelley Schwerdt. We must provide 30-40 handouts as well as provide the AKC JOD a copy of materials 30 days prior to the Institute – AKC will keep a copy for their records.

ACTIVITIES REPORT:

GSPCA JE PowerPoint Presentation was revamped for the Judges Education Seminar to be held at Nationals in May, in York, PA. This is a living document and will be updated as new and improved photos are acquired.

JE Seminar and Workshop presented at the Nationals May 9th & 10th, 2019

Maxine Moinier and Shelley Schwerdt presented to 6 new to GSP Judges as well as our incoming President Sharon Fitzpatrick, VP and previous JEC Christy Douglas-Featherston, GSPCA Historian and previous JEC Patte Titus. Adrienne Turcotte was present to assist as audio/visual tech. Melissa Hungerford and Roy (dog) were there to for demonstration.

The Seminar presentation was well received by the new judges. It was great to have all the knowledge in the room to add to the discussion.

The Workshop was held Friday morning – Thursday evening I asked the Top 25 dogs to meet us at 9:00am in the Obedience room for the Hands On portion of our JE. To my delight, 12 dogs/handlers made themselves available for our attendees as well as 3 Black and White GSPs for them to examine.

AKC Reports and Documents will be sent to AKC Judging Operations May 28th/19

I have designed an **Evaluation Form** that we will request all attendees complete at the end of our presentations – both Seminars and Workshops. I look forward to the feedback that will help improve our presentations.

I am working on an **Mentor List and the Presenter List** – Each person already approved by the BOD will receive a letter asking if they want to be included in the List, if they agree to have their name and contact info made public on our website, as well as being share with the AKC Judging

Operations, who has requested an Approved Mentor List on several occasions. Hope to have this completed by the end of June 2019.

FUTURE EVENTS:

JE Workshop Michigan Sporting Dog Association – June 22nd & 23rd, 2019 Patte Titus will Represent the GSPCA and do the Workshop – This is the last year the Michigan Sporting Dog Association will put on Judges Education. Patte was there for the 1st and wanted to be there for the last Workshop.

JE Seminar Oklahoma Kennel Club requested that we attend their Judges Education Seminar – this event has been cancelled - I suggested that we would consider participating another year.

The AKC Canine College Webinar - Progressing – I took video footage at Nationals that is promising to be useful – Tara Griffin took thousands of photos that will be a good resource. Barbara Schwartz is keeping the project on track.

Respectfully submitted by
Maxine Moinier, JEC

Member Club Advisory Committee (Sharon Fitzpatrick)

Report Prepared By: Sharon Fitzpatrick Date: 5/31/19

1. Provide a summary of activities since last submitted report:

This committee was created to provide support to the local clubs. Previous attempts to communicate with local club contacts has demonstrated that many clubs do not keep their contact information up to date. In general response to surveys sent has been low despite average time to respond being under 2 minutes. Unopened – 35% Opened and no response – 22% Responded – 42%

It may be that the tool used for the survey was a poor choice.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

4. Committee Needs (please list in order of importance):

Rescue Report (Missy Neal/liaison-Sharon Fitzpatrick)

Report Prepared By: Missy Neal

Date: 5/31/19

1. Provide a summary of activities since last submitted report:
The Rescue committee is still fairly dormant.
2. Indicate any changes made for improvement, result of changes and any requested future changes:
 - We supported, via Senior Sponsorship, Sage a 13-year-old GSP in Minnesota. She was advertised on Craigslist and picked up by GSPCA member Erica Morris. Erica temp- fostered her and got her vetted, including a senior dental which GSPCA covered. Sage is now in the care of Wisconsin GSP Rescue.
 - Melissa resumed the silent auction at this year's NSS and brought in just under \$1,000
 - I want to make a change to the "GSPCA Rescue Program", since the GSP Rescue groups are largely self-sufficient and do not need GSPCA support. That we use the remaining / incoming funds solely to support Seniors in need and actively seek and support these dogs. I'd like to officially name it the Beth Cochran Senior Sponsorship Program in honor of our dear departed friend, who was an incredible advocate for GSPs in need and volunteered as the Veterinary Advisor for GSPCA Rescue for many years under Nancy Campbell. It was Beth's dream to create a sanctuary "retirement home" for seniors and this will be a great way to keep Beth's dream alive.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
Rescue fund is included in the Treasurer's report
4. Committee Needs (please list in order of importance):
5. Action Items for Board consideration:
 - Renaming the Rescue program to be the Beth Cochran Senior Sponsorship Program

Shorthair Journal Report (Patty Busso/liaison-vacant)

Report Prepared By: PATRICIA BUSSO

Date: June 2, 2019

The *Shorthair Journal* Magazine:

The *Shorthair Journal* is the official publication of the GSPCA. Each member receives a subscription as a part of membership; additionally, issues are sent to GSP judges approved by the AKC, Advertisers and Comped individuals. The SJ has and continues to deliver increased quality content in the last 23 issues. Each issue of the 23 issues all 3,040 pages has delivered numerous articles including field, hunting, conformation/show, member events (when submitted) and the performance areas. The addition of Health, Training, Breeding related articles have also been included and continue to be well received by the readers.

We continue to receive compliments on the content, quality and look of the Journal.

1. Provide a summary of activities since last submitted report:

- a. Throughout 2019 we successfully repeated publishing of the Illustrated Breed Standard which first appeared two years ago, we continue to believe that it reinforces the standard to the long-time members and introduces it to any new member. The recent feedback from both members and judges has been very positive that the standard is being included. It should be published every two years.
- b. We have added and continue:
 - More photos of member dogs doing various activities
 - Added more Health and Welfare Articles in each issue.
 - Three Breeders in the new section: Interviews with Breeders: has been a big success, the feedback from the membership has been very positive and we need to continue this special addition to the publication. The next interview will be published in the May/June Issue.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

Areas of improvement:

- Continue to include more performance articles and introduce two new activities alone with highlighting how to participate and members who excel in each issue.
 - Dock Diving
 - Agility
 - Rally
 - Obedience

- Barn Hunt
 - Trick Dog
 - Scent Work
 - Canine Good Citizen
 - Therapy Work
 - Water Test
 - Farm Dog
- Research and publish individual stories of “working GSP’s” Airports, K-9, Military etc. This is still recommended.
 - A monthly reminder email be sent to the members clubs asking them to send event results and photos and write up to be included in the SJ. We will be publishing “How to Submit” instructions as quite a bit of information we get is very unorganized and low-resolution photos which impacts not only the time to produce the issue but the quality.
 - Advertise the Illustrated Standard
 - We need to work on this issue: Improvement is still needed on getting content on time. With the correct sized photos
 - Reach out on a monthly basis to the following contributors to gain additional content and communicate to the membership what each person on the board and committee actually does.

Report Prepared By: Lynn Pettinato **Date:** May 24, 2019

1. Provide a summary of activities since last submitted report:

Attempted to post daily for the GSPCA with GSP photos and helpful canine and GSP tips.
Lots of data provided by Dean Goodding from his weekly area newsletters and NAGDC

2. Indicate any changes made for improvement, result of changes and any requested future changes:

Increased the number of likes in the last period by almost 2000 people. Marching to the 10,000 likes / followers mark. Data attached regarding reach to people.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

No promos done over this time period.

Sponsorship Report (Dean Goodding/liaison-Lynn Pettinato)

Report Prepared By: Dean Goodding Date: 6 2 2019

- 1. Provide a summary of activities since last submitted report:**

Have inquired with several companies about Dollars and Products. Almost all have stated that they would supply some small product but being almost overwhelmed by requests. (But it would be a possible item for a Silent auction item) An example is Gerber Knives. Maybe a few Knives.

BUT the tax laws have changed, so the credit for dollars isn’t a viable for them, as writing off product.

- 2. Indicate any changes made for improvement, result of changes and any requested future changes:**

None

- 3. Financial Summary and planned future budget (include any explanations of a loss/decline):**

Water Test Report (Jean Bernier/liaison-Dean Goodding)

Report Prepared By: Dean Goodding Date: 6-2 2019

- 1. Provide a summary of activities since last submitted report:**

Jean B and I are trying to get people redirected to her for approvals.

We have more e mails this year requesting Information to hold them. Lots of Education e mails and calls.

I believe this was because of the exposure at the NSS. And would like the NSS committee make it part of this event

- 2. Indicate any changes made for improvement, result of changes and any requested future changes:**

The new rules and regulations that were approved January 1st 2019 are getting posted on the web site. As clubs have requested approval, we have been sending them individually

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

None

4. Action Items/Committee Needs for Board consideration (please list in order of importance):

There are a few minor changes on wording that may need to be changed and approved by the Board. We'll see if it's needed as this season continues. People have inquired about small things like explaining "Blind Retrieves." They are usually NAAHVA crossovers.

Would like now to Submit our changes and rules to the AKC, so they could be an "Official" AKC title. I spoke to Doug L, some time back, and he said he would entertain it. As I can be used by ALL breeds that wanted to hold this. In Turn it may affect our holding this event under our umbrella.

Website Report (Missy Neal/liaison-vacant)

Report Prepared By: Missy Neal Date: 5/31/19

Note for new Board members on general Webmaster duties:

Ongoing maintenance of the GSPCA website. This includes regular updates to Stats (Juniors, Obedience, Rally), Breeder listings, Club listings, Water Test listings, Positions Available, Journal Ad payment section, Election info (Bios, instructions, email blasts), Awards (Annual, Duals, HOF, ROM, Sportsmanship, Versatility) in addition to minor updates such as updating contact information, etc. Posting Minutes, Issues of SJ, etc on the Member site; design/schedule/send email blasts to Clubs and/or Members. Manage forms on the Member site (Show Futurity Nominations/1st and 2nd Forfeit; NFT Entries; NAGDC Entries; Breeder Referral; NSS Judge Nominations).

Annually I build a small micro-site for the National Specialty Show, working with each volunteer responsible for anything to do with the NSS, to ensure the information is correct. Create the NSS Store using images sent by the vendor and price list sent by Merchandise chair. Create/update/maintain PayPal buttons for the NSS site: Catalog Ads, Trophy Donations, Dinners, Raffles and special events (and 2 for each item in the Store.) Then I monitor the PayPal sales, split out each transaction and distribute the receipts to the point persons keeping the lists for tickets/reservations/etc. With the 2015 site redesign, I created a template for the NSS site so all I have to do is change the artwork and color scheme rather than reinvent the wheel each year. This way I can focus on the content rather than worry about making it pretty 😊

In advance of the NSS I create a Blog, which sort of automates the reporting of results. I have a volunteer on site who sends results after each class and, using the electronic version of the catalog provided by RJDS, I can quickly post results for those not on site. By the end of or shortly after the National, I post the entire catalog and then include full catalog results on the GSPCA website. The Blog remains, but the official results are on the public site.

Also annually, I manage the NSS Judge Nominations via our Member section. The list is sent to me for the site, and Patty for the Journal. For the site, I create the Nomination Packet (PDF) update the info on the Nominations page and update the online form, manage any hiccups during the voting process and then after nominations close, export the results and send them to the Scribe and NSSEC Chair.

For the NAGDC and NFT, I am sent Word files of the premiums, which I turn into PDF for the public site and update the online entry forms on the member site. Have the Trial Secretary or Chair proof my work and then manage any issues while entries are open. When online entries are submitted, the secretary is notified with pertinent details so they can keep a running list of entries. Then after entries close, I export the entire list of entries and send that file to the Trial Chair and Secretary (and Executive Committee Chair)

In addition to the regular work of physically updating the website, I manage the GSPCA.org hosting and email accounts, help with marketing/design of email blasts and liaise for Committees to PayPal (send invoices, issue refunds, create payment buttons when needed and forward payment information). Also act as General Information Desk since everyone knows I've been with the Club so long 😊

1. Provide a summary of activities since last submitted report:

- a. I have gotten behind on my ongoing projects due to family stuff with my Mom. I would like to take this time to thank the Board for your patience with me as I went through all that. My goal is to get caught up on everything by fall (list below)

- b. The NSS went fairly well this year from my armchair at home. We had a glitch in the reporting but didn't get any complaints. I'm considering a different reporting format going forward because I feel the folks who care about "real time results" are watching live streaming on Facebook, not looking to the Website or the Results Blog.
- c. Online Phone Numbers: I have gone through the site and now list all phone numbers as a hot link that will open up to the phone app if a user clicks it. If clicked via browser on a computer it gives an option to Facetime.
- d. We now have the ability to utilize email lists via our Email service. The List includes emails added on server side (by me) and then users send an email to a single address to broadcast to all the folks on the list. This works like the old [GSP-L] that everyone used before social media.

Our BOD has periodic issues with emails ending up on SPAM or BLOCK lists--not on their GSPCA-provided email, but on their personal email they have handling all their GSPCA email. This is caused by the hierarchical display of the "FWD: RE:" email threads created by a lively discussion between a dozen folks. The SPAM filters are triggered and the messages eventually get on a block list. When this happens, it means one Board member is not getting the emails and can't participate.

SO - I've created a List for the BOD, that includes all Officers and Directors. The email address is board@gspca.org. Lynn, Cyndi and I have tested this and it works well. Most importantly: I believe this will prevent the email / spam blocking issue from happening in the first place.

A couple of notes:

- i. It will be easy to determine whether a message is sent to the All Inclusive list because the subject will start with "[BOD]"
- ii. If your @gspca.org email is forwarded to another email, you can reply to the list from the 3rd party email and it **should** recognize all emails without triggering a SPAM response
- iii. Sometimes there is need to exclude a Board member from a discussion. In those cases, the person initiating the conversation will need to manually enter the email addresses via the old way, rather than use the All-Inclusive BOD email.
- iv. This is set up via our GSPCA email host (not MemberClicks) so it is different than using the membership database to send email blasts

2. Projects still on my list:

- **Updates** : Water Test / Breeder Referral / Stats / NSS / NAGDC
- **Versatility Awards** This is desperately behind. I have the 2017 awards and would like to get it caught up through 2018 all at once. Have contacted Dave.
- **Juniors Section Overhaul:** working with Becky on this, I'll catch up on this by the end of June
- **HOF Section Overhaul:** working with Debbie King on this, will catch up on HOF by the end of July
- **Health & Welfare:** The Health committee has more updates but we have not started updating
- **Event Results area:** Addition of images and cohesive navigation between the 3 major GSPCA events and results within each Event section
- **New Member-Only Website** After the product upgrade (Loralei) - Content migration to the new site and seamless integration from our public site to our secure site; make sure all forms work; any assistance Loralei needs from my end
- **Field Futurity:** This fell off my list, so I need to reconnect with Terry Bomer to develop online forms for the Field futurity like we have for the Show Futurity
- **Dog Award Pages /ONGOING/** I'm determined to get the individual dog pages developed this summer. The current Annual Awards page links the dog names to each dog's page, as does the current ROM page. Eventually, each time a dog gets a GSPCA award, that award will be listed on his/her page and instead of posting photos right on that page, a link to the dog's Award page. Feedback is welcome.

Yearbook Report (Debra Broad/liaison-Joe Boteler)

Report Prepared By: Deb Broad **Date:** 6/1/19

1. Provide a summary of activities since last submitted report:

Have finished the 2017 yearbook and have now begun working on 2018.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

The revised advertising deadline worked very well. I think we had more advertisers because they had more time to get ads together after the holidays.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

I think we did better this year than last. Had more advertisers and buyers which was nice.

4. Committee Needs (please list in order of importance):

If there are any additional sections or suggestions or anything we should add, I would be very glad to. If there is any information or ideas anyone has please share them with me. For example, we added the top producers and people liked seeing that information. I actually got e-mails about that and people bought the books because they were able to see that information.

I also would like to go further into other venues – agility, rally, etc. in future editions.

5. Action Items for Board consideration:

It would be nice to have a volunteer or two to help with selling ads like Gene did a few years ago. With approval of the board I will create a job description and send to Missy for posting on the website and doing a blast.

Agility Report

June 11, 2019

Submitted by Jeri Fishack

All had a good time at Bella Vista. Big thanks to the Northern Virginia Brittany Club for allowing us to horn in on their trial. We saw some awesome runs and some truly GSP runs. Lila Rady with Tom and his mon Sue Rady won high in trial on Monday and the coveted Judy and Bruni most entertaining award on the same day!! Zelda Krause and Stephanie Krause won the coveted Judy and Bruni award on Tuesday. Rudi won the trophy and high in trial on Tuesday with pretty much a perfect 2 days. Thank you so much Linda and Joe Mscisz,, Kris Hart and Jeri Fishack for the wonderful gift bags. The other trial competitors were coveting our ribbons and gift bags! The wonderful comments about how supportive we are all of each other no matter how the run goes was nice to hear.

Dear Sporting Dog Supporters and Friends,

The Bird Dog Foundation is dedicated to preserving the past and protecting the future for sporting dog enthusiasts the world over. The National Bird Dog Museum is a place for sporting dog lovers, bird hunters, and field trialers to share their passions and learn about the rich history of their interests. The Foundation and the National Bird Dog Museum survive solely on donations received from visitors, supporters, and friends such as yourself. Our museum was built in 1991 and needs repairs and upkeep from time to time. Recently we began the process of improving our facility. The roof was replaced in 2015. We replaced the carpeting in parts of the facility this past year thanks to generous donations from people like you. If you were here this year for the 2019 Hall of Fame Inductions you were able to see these improvements for yourself. We now find that we need to repave our parking lot and possibly enlarge it. This is where we need your help. We are asking that everyone that receives this letter, please consider donating \$5.00 or more towards the completion of this project. As with any other facility, in order for the museum to be here for future generations to enjoy, it is up to the present generations to help with its preservation.

We thank you very much for your time and consideration. We encourage you to visit us when possible so that you can see in person just what it is you are helping to preserve.

Sincerely,

Tonya Brotherton
