# STATE OF THE CLUB

## President's Report

January 2022

In some ways it seems like yesterday since our June Board meeting and in some ways it seems like a LONG time ago. Fortunately we were able to hold our last meeting in person. While Zoom is a great tool and has been a real godsend since the pandemic, it doesn't replace in person meetings which make for easier discussion but also offer time for casual conversations and a much greater understanding of issues affecting the various regions and events that our membership participants in. We once again made the decision to hold this meeting via Zoom due to increased Omnicron cases but mostly because of the effect the recent surge has had on airline travel. Our plan is to meet in person in Orlando in June.

Since our last meeting we were able to hold our very long awaited National Specialty Show. I was able to serve as Secretary for the Fort Dearborn GSP Club's Scent Work Trial held the Monday before. It was a great experience for me and I know the participants, workers and our Judge, Jodine Briel all enjoyed the comradery and fun.

My stay at the NSS was cut short due to a death in my family but I was able to spend time with some members before I had to leave. What a wonderful event! Thank you to Executive Committee, the Event Committees and the many volunteers who helped in any way. Your time and efforts are greatly appreciated by the Board and hopefully recognized by the participants.

We were able to hold our National Field Trial this year as well and I was able to attend during the first week and the Amateur Championship. Running an event that last so many weeks is a real feat and doing it well takes a huge team. Thank you to the Executive Committee, the Stake managers and the many volunteers it takes to pull it together every year.

We have a new Magazine Chair – welcome to Ellen Ritter. Bonnie, our Production Editor, Ellen and I met recently putting together the schedule for this year. Ellen has some exciting ideas of our to make our magazine even better. I can't wait to see some of them come to fruition this year. Among other improvements we hope to include more articles/stories on Field Trial events and the many accomplishments and venues of our Junior handlers. If you have any ideas for our magazine please let me and Ellen know, we are always looking for input from members!

Our new NC Director is Mike Kindler. He has generously stepped in to complete the term of Ed Brock who is stepping away for health reasons. Ed will be helping me put the finishing touches on our Bylaw updates which will be going to the membership for vote along with the election ballots.

I always say it and I really mean it. Please reach out to me if you have any suggestions, questions or comments. I won't always have the answer and won't always be able to help but I

do appreciate the input of members. Just like our other hardworking volunteers I do have a day job so I will apologize ahead of time if I don't answer immediately but if I don't respond in a few days please try me again because you probably ended up in my spam folder or I didn't see your message.

Happy New Year!

Sharon Fitzpatrick

## German Shorthaired Pointer Club of America BOD Meeting/January 2022 Committee Report

### Committee: AKC Delegate

Report Prepared By: Barbara Schwartz

Date: January 6, 2022

1. Provide a summary of activities since last submitted report:

- **Delegates Meetings** – Attended the December Delegates Meeting in Orlando and submitted reports for both the September and December Delegates' meetings in a timely fashion. I continue to serve on the Delegates Dog Show Rules Committee and am currently involved on a subcommittee reviewing the rules for Veterinarians.

*Of note is that the new Bred By Exhibitor rule which gives a club the option to divide the BBE class into 6-12 months and over 12 months passed.*

*Also of note is the purchase of American Field by UKC and AKC's subsequent board policy which was conveyed to the entire GSPCA BOD via email on January 3.*

- **NSSEC** – participated in telephone conference calls.
  - Will be the onsite show chairman for the 2022 NSS
- **Meet the Breeds in the Field** - I had previously reported a Meet the Breeds in the Field event scheduled for March in Virginia. That has been postponed due to the unexpected death of a key person for the location. AKC Staff is hoping to reschedule this later in the year.
- **DNA Samples** - I was contacted by Dr. Carmen Battaglia regarding the collection of a large number of DNA samples from GSPs for a research project being conducted by Dr. Matthew Breen on Detection Dog genome sequencing. I told Carmen, and Mark Dun that Shorthairs had been collecting DNA samples on every dog entered in the NSS and the NFT for about 20 years. Those samples are in the possession of the AKC. I haven't heard anything further on the topic since early December.

From previous reports - unchanged

- **By Laws** – no activity since my last report
- **Walking Open Gun Dog Championship and Water Test**- no requests were received from the board to pursue this with AKC

### Input requested from the BOD

- What is the status of the GSPCA's participation in AKC's Meet the Breeds? Do we have a replacement for Patte Titus? This is a repeat request from my last report, and the AKC is once again ramping up for Meet the Breeds across the country, starting in March of 2022.

## NATIONAL EVENTS COMMITTEES

## German Shorthaired Pointer Club of America BOD Meeting/January 2022 Committee Report

**Committee: \_National Specialty Show Executive Committee (NSSEC)\_**

**Report Prepared By: \_Kim Abbott\_**      **Date: \_1/12/2022\_**

1. Provide a summary of activities since last submitted report:

- a. *After a long and trying time for our committee dealing with COVID shut downs, the NSSEC finally was able to hold a very successful National Specialty Show in East Peoria, IL. August 31st thru September 4th 2021. Our National week included a Regional Specialty Show, AKC Scent Work trial (held by the Fort Dearborn GSPC, agility trail (hosted in conjunction with the GSP Middle TN trial in Murfreesboro, TN), three rally and obedience trials, sweepstakes, Futurity and Maturity, Top 25 event, Parade of Title Holders, National Specialty Show and GSPCA Annual Awards banquet. It was the first time for our National event to include a Scent Work trial and a Maturity. The NSS committee will be looking at ways to continue these events in the future. As it was the AKC "Year of the breeder" we also offered a Best Bred-By in Show. That was also well received and we will look to include that in our next year's national. The NSS was a well-attended event in a wonderful hotel set up. The National Specialty show was profitable this year with about an \$18,000 profit. A lot of that is due to the fundraising that took place before and during the National and also the committee sticking closely to the proposed budget. Jane Handschumaker was the acting NSSEC Head Chair and Barbra Schwartz was the acting National Show Chair on site.*
- b. *At the end of the National specialty week Jane announced her "retirement" from the NSSEC Committee Chair. That position was voted on and Kim Abbott was selected as head chair and Ann Clair Wilson as vice chair. Jane will remain on the committee representing the EC section and oversee the transition of chairs. We want to say a huge thank you to Jane for the years of service she has dedicate to this National Specialty Show Committee. It is a huge undertaking that few realize how much work really goes into it to pull of this kind of event.*
- c. *At the 2021 NSS there was a bench committee hearing held due to actions of an exhibitor on Sept. 1, 2021 and thru the AKC guidelines the party was found guilty. The individual was charged a fine and is serving a current 6 month AKC suspension.*
- d. *Plans are moving forward for the 2022 NSS in Estes Park, CO. The NSS will take place at 2 venues- Estes Park Event Center and the Ridgeline Hotel. All show/performance activities will take place at the Estes Park Event Center except for the Top 25 which will take place at the Ridgeline Hotel a couple blocks away. Barbara Schwartz will be the on the onsite Show Chairperson. BaRay will again be the Superintendent but will not have an onsite presence. The NSSEC elected to go to a "Show in a Box" to save costs. BaRay will do all the premiums, entries and catalog but will not send a representative to the actual show. The NSSEC found onsite Show Secretary – Judy Lowther. Judy has years of experience being an on-site show Secretary. She retired from Erie Canine Event Services.*
- e. *The NSSEC voted and approved holding a GSPCA Regional with the NSS this year. The Committee also nominated and approved Don Schwartz as the judge and Andie Hall to judge Juniors.*
- f. *All 2022 judging contracts have been sent out. The NSSEC was informed that the original judge for the 2022 Futurity is unable to accept the assignment. The NSSEC went back to the list of past individuals that*

*were nominated, discussed and voted on the replacement which is Betsy Yates. She has since accepted the judging assignment.*

- g. The NSSEC filled the vacant North Central representative position vacated by Pam Stillman with Lisa Dziedzina. She will serve the remaining term. The NSSEC will provide contact information for Lisa to update the website.*

2. Committee Needs (please list in order of importance):

- a. Approval of the 2024 Nationals Judging Panel that was drawn at the Annual Awards Banquet. (Under Action item) Add approved panel to website.*
- b. Update and add Lisa Dziedzina's contact information to the website.*

3. Action Items for Board consideration:

- a. Approval of the 2024 Nationals Judging Panel*
  - a. Breed Judge: Walter Sommerfelt, 1<sup>st</sup> Alternate: James Covey, 2<sup>nd</sup> Alternate: Margaret Wilson*
  - b. Sweepstakes Judge: Gerry Thorton, 1<sup>st</sup> Alternate: Malina Tzartzanis, 2<sup>nd</sup> Alternate: Hillary Roy*
  - c. Futurity Judge: Lucretia Coonrod, 1<sup>st</sup> Alternate: Ann Claire Wilson, 2<sup>nd</sup> Alternate: Shelly Schwerdt*
- b. Review of the 2024 Show Site Locations (Central Section) to send to the Delegates*
- c. Review and approval of the updated National Specialty Show Running Rules.*
- d. Approve the show dedication –Dean Goodding. (done via email Jan. 11, 2022)*
- e. Approve the purchase of multiple years of trophies (not more than 5 years) which will be at a discounted rate.*

*I want to express my appreciation of the Board's hard work, support and willingness to make the NSS a success!*

#### **Committee: GSPCA NFT Committee**

**Report Prepared By: Phil Mathiowetz**

**January 2022**

**Liaison: Will Barbee**

The 2021 NFT was held at the Bechtel Ranch in Eureka, KS. The weather this year cooperated tremendously, and we had an excellent event. We did however have a few glitches, some usual as with any trial, some not so usual. As is normal, the NFT Committee handled anything that came at them.

The unusual event this year involved one of our members getting into a physical altercation which resulted in an arrest. The Committee is working with AKC to get this whole situation resolved as quickly as possible, but it is complicated. We will keep the Board apprised of our progress and outcome.

Our refrigeration unit has broken down and we are working on getting it repaired. Katie Taza has offered to pay for repairs which will run around \$3800. Katie has made this offer in the name and memory of her late husband Tom. Tom was always very supportive of Katie's dog adventures. This is a tremendously gracious offer and a great tribute by Katie. We thank her very much for her donation.

The Committee will be meeting shortly to begin planning for the 2022 National Field Championships. This years trial will begin on October 17, 2022 and run to conclusion. The trial will again be held at the Bechtel Ranch in Eureka, Kansas.

Please contact myself or Kevin if you have any questions.

Thank you your continued support.

## German Shorthaired Pointer Club of America BOD Meeting/January 2022 Committee Report

**Committee: Obedience**  
**Liaison: Lynn Pettinato**

**Report Prepared By Eleanor Campbell- Chair      Date: January 13, 2022**

Before I discuss the 2021 and 2022 NSS, I need to sincerely thank Belinda Venner for her great work keeping the Obedience and Rally statistics. Belinda has been doing this job for many years and I cannot thank her enough!

I also want to acknowledge, Karen Combs, 2021 NSS Obedience/Rally co-chair, with me, at the 2021 NSS. Without her, I would never manage.

Now, on to the NSS shows. There were three Obedience and Rally trials sponsored by the GSPCA at the 2021 NSS held in Peoria, Illinois in late August/early September. The room was great, as were the judges and those who volunteered to steward, many of whom we asked on-site to please help!

I have two suggestions going forward:

1. Unless there is a local GSP club which also wishes to hold a trial and has local people to help, I encourage the GSPCA to offer a maximum of two obedience and two rally trials at a NSS. It wasn't easy to find enough volunteers to steward all three days. People traveling to their nationals also want to meet friends, chat, shop, watch conformation, etc. Two trials is adequate, especially when there is usually also agility and sometimes, a local hunt test and other sports, notably, scent work this year.
2. The GSPCA should consider making the first trial offered the NSS Obedience or Rally trial. Or, if a local club is hosting trials, perhaps the second day. By the third day, people and dogs may be tired. I know that I was! 😊

Dave Nauer has contacted me and plans for Obedience and Rally at the 2022NSS are going well. I will not be attending, but I am always available to help as much as I can from my home in Pennsylvania.

Finally, I don't know if the Board is aware that Linda Montgomery and her dog, Meadowhill's Play With Fire UDX PCDX OM1 BN GO VER RE SH JHR "Ember" won the Utility class at the 2021 AKC Classic in December in Florida!

And, really finally, I am now the AKC Delegate for the Morris Hills DTC, NJ. So, I look forward to being able to stay abreast of happenings in AKC Obedience and Rally.

Thank you,  
Eleanor Campbell  
GSPCA Obedience/Rally Chairperson

1. Provide a summary of activities since last submitted report:
  - a. Processed normal applications – Second half we had 34 applications (24 VC, 7 VCA, and 4 VCX). Combined with the first half of 2021 we had 60 applications in total – a vast increase over 2020 (Totals of 43 VC, 13 VCA, and 5 VCX). The scent work addition and pick up in trials in 2021 all contributed to these increases.
  - b. Conducted normal communications with questions and clarifications on the program during the reporting period.
2. Indicate any changes made for improvement, result of changes and any requested future changes: None
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
  - a. We have modest expenses – We had to send out the 2021 trophies not picked up at the event and we had a big increase in mailing costs.
  - b. Note that with 18 trophies to be ordered for the 2022 NSS – we will have the highest Acrylic trophy costs in a decade – there was a pent-up demand for recognition of the scent work achievers, and they are now getting credit for their achievements at the highest levels in that sport.
4. Committee Needs (please list in order of importance):
  - a. None.
5. Action Items for Board consideration: None

#### **Summary of activities since last submitted report:**

Write articles and respond to inquiries/questions about the Breed. Provide individuals with contact information to the appropriate sources, i.e. GSPCA, AKC and /or a Local GSP Club.

Primarily questions center around:

- Where to find a puppy
- Where to find a field trainer
- Behavioral issues...sources of help
- Best age to spayed/neuter
- Breed Standard history
- And the list goes on...

Respectfully,

**1) Provide a Brief Summary of the Event or Activity:**

- Breeder Referral/Breeder Listings
- Update new listings to be sent to webmaster and Journal Editor
- Update online form to streamline application procedures and offer better ease of use to those applying for listings.
- Collaborate with webmaster to upgrade ability to enter information via web portal.

**2) Indicate changes made to improve the Event or Activity from the previous six months or year (if any):**

- Approaching Puppy buyers to offer 3 free months of Breeder listing. This is not working as well as hoped as most of the puppy buyer breeders have already sold their puppies and a listing does not offer them a benefit.

**3) Action Items for Board consideration**

- We need discussion on fees charged for the Breeder listing. After doing some research it seems our prices are much higher than other mother clubs.
- Also discussion on ways to entice more breeders to list with us.

**4) List of current breeder listing provided to Journal editor for updating.**

## **Hall Of Fame Field Dog report by Mike Aldrich, chairman**

There was only one submission since the last Board meeting that being FC/AFC Laski's Dandy Dixie Darling. Noted was that she is a F-ROMXX. In the submission that Gene Mosley worked up is the fact that Dixie is not only a top-notch competitor but was able to reproduce her strong field qualities. Gene has outlined how Dixie's influence is shown through three generations with three dogs from the third generation being used in today's breeding programs. Those being NGDC/FC/AFC BDK's Texas Hold'em, FC/AFC Texas Tuff, and FC/AFC Texas She's Got Legs. All have proven them selves in the field and are now carrying on Dixie's influence as reproducers. I strongly recommend the dog being approved for the GSPCA Field Dog HOF.

On another matter the owners of the last two dogs inducted, Uodibar's Shoot The Moon and MSR's Opalescence have still not received their plaques. If it's important enough to recognize these dogs the process needs to be completed. If the plaques are lost let's get new ones made and presented to the owners. Also, neither of these dogs are listed on the website.

My email address in the Journal and on the website are incorrect. It should be **ngspa.mike@gmail.com**.

## **Gene Moseley, Jr.**

Gene is a native Houstonian. Gene started out hunting quite a bit in his early years and continues to enjoy hunting whenever he gets the opportunity. In the early 70's he spent several years working with Retrievers. His first pointing dogs were Brittany's. In the late 70's, Gene was a member of the Texas Coastal Brittany Club (TCBC") and the Gulf Coast German Shorthaired Pointer Club ("GCGSPC"), and then he subsequently became a member of the German Shorthaired Pointer Club of America ("GSPCA"). He is presently a lifetime member of both the GCGSPC and GSPCA. Gene has been an extremely proactive member for each club for which he was and/or is a member. In 1983, he bought his first German Shorthaired Pointer (GSP) and when he lost his Brittany's he eventually transitioned to GSPs only and no longer a member of the TCBC. Over the past 44 years, Gene has either served as President or 2<sup>nd</sup> Vice President, which is the role of the Field Trial Chairman, or in some other capacity in the GCGSPC. The influence he has had on chairing the many events run by the GCGSPC has been significant, including but not limited to the GCGSPC's annual desnaking program.

Gene was very instrumental in working with AKC in the initial stages of hunt tests and was the person who advocated for the gallery wagon at the hunt tests. It is his belief that every handler should be able to witness each brace in order to give them a better understanding of the sport.

Gene has competed and continues to compete in AKC and NGSPA field trial events. He has earned numerous wins throughout the years with his own dogs as well as dogs he has handled for friends. Since 1997 he has competed in the GSPCA Amateur Championship and Futurity. Over his GSP career he has finished 15 FC/AFC along with myself, Sherrie Moseley, and continues to compete in the sport with continued success. Gene is a dedicated lifetime amateur and trains his own dogs. He has only sought help from a professional twice in his career with force breaking to retrieve only. He co-owned the #4 GSPCA All time Field Producing Dam w/Sherrie Moseley: FC/AFC Laski's Dandi Dixie Darling F-ROMXX 1994 - 2006. The positive influence of dogs he has bred continues to make an everlasting contribution to the GSP breed.

Gene served as the South Central Regional Director of the GSPCA for 10 years 2001 – 2011. During his tenure on the board, he was instrumental with the following programs:

- ROM Program: The ROM Program was initially only representing conformation dogs and that program was changed to include performance dogs. The program changed many times over, but to date all dogs are represented;
- Yearbook committee. Assisted in bringing back All Time Top Producing Database to GSPCA and found persons to help keep this program current in the yearbook;

- GSP Bronze Committee Chairman: Two year program to get the GSPCA represented at the National Bird Dog Museum w/outside life-size GSP bronze and inside smaller replica thanking Purina and other donors of the project;
- GSPCA National Field Trial Clothing Project: With help from President of the Club started GSPCA online clothing project; and
- Liaison from Board to GSPCA National Field Trial Committee for 10 years.

Gene serves as the Chairman of the GSP wing at the National Bird Dog Hall of Fame, where he has several ongoing projects, including the GSPCA/NGSPA National Wall Presentations.

Gene has been judging AKC field trials since the early 80's and has had the honor of judging numerous regional and national championships for the GSPCA, NGSPA as well as other pointing breeds including the AKC. The following are some of the National Championships he has judged.

AKC Pointing Breed Gun Dog Championship Non Ret (2009)  
AKC Pointing Breed Walking Gun Dog Championship (2018)  
GSPCA Gun Dog National Championship (2004, 2007)

Gene has spent, and continues to spend, countless hours over the past 35 years or so sharing his knowledge and mentoring countless new comers to the sport of hunt test and field trialing as well as educating new comers of the GSP breed in general. Gene Moseley has contributed greatly to the GSP Breed, the hunt test and field trialing sport for 44 years. He has in more ways than one contributed in assisting in the history and betterment of the GSP breed with the GSPCA and his chairmanship of the GSP Wing of the National Bird Dog Hall of Fame. He is most deserving of being elected to the GSPCA Hall of Fame. Your consideration is greatly appreciated.

Sincerely, Sherrie Moseley

**Nominee Name** Joe Vicari      ☐ Living    ☒ Deceased

Member Number MF-2040 Length of Membership 1/1/1977

PLEASE ANSWER THE FOLLOWING QUESTIONS. A SEPARATE DOCUMENT IS ACCEPTABLE BUT IT IS DESIRED THAT IT IS IN THE FOLLOWING FORMAT. Please be able to document each answer.

What is the individual's overall history with the GSP?

**Joe Vicari began field trialing German Shorthaired Pointers over 45 years ago and has spent this time dedicated to training, handling, breeding, competing and helping others.**

**Joe started in the German Shorthaired Pointer breed in 1971 and was active until his death in 2020. He had the good fortune with his first GSP to win the National Amateur Field Championship and having that dog end up in the GSPCA hall of fame. That dog's name was PJ Wildfire.**

**To prove it wasn't just luck - as an Amateur, Joe has 4 dogs in the GSPCA hall of fame – currently more than anyone else in the breed:**

**NAFC/FC/AFC PJ Wildfire 1991  
NAFC/FC/AFC Wildfire's Angel 2006  
FC/AFC Nicky Von Blitz 2009  
FC/AFC PJ Wildfire's Super Sport 2011**

**Two of the dogs won the National Amateur Field Championship - PJ Wildfire and Wildfire's Angel.**

**PJ Wildfire was also inducted in the Bird Dog Hall of Fame in 2009 in Grand Junction, TN and Joe himself was inducted in 2014. Here is a link to the write up from the site: [http://ngspa.org/HOF-inductees/joe\\_vicari.html](http://ngspa.org/HOF-inductees/joe_vicari.html). Joe was inducted into the Field Trial Clubs of Illinois Hall of Fame in 2020.**

What achievement(s) did the individual make that has had an “everlasting effect” on the GSPCA, the breed and/or the sport?

**Joe’s influence on the German Shorthaired Pointer breed has been significant. Joe owned and trained over 24 AKC Field Champions and over 17 AKC Amateur Field Champions. His four dogs in the Hall of Fame speak to his everlasting impression.**

**Over the years, his influence of dogs on the German Shorthaired Pointer gene pool includes not only dogs he bred and competed with. The number of dogs out of his Wildfire breeding owned and handled by others is myriad and these dogs continue to be a strong influence in the genetic pool of the breed.**

Has the individual adhered to the AKC Code of Sportsmanship and to the GSPCA Membership Code of Ethics? ☒ Yes ☐ No

What additional information should be considered as a part of this nomination? Include GSPCA service, local club service and mentorship of fellow exhibitors.

**Joe served in numerous official capacities with the Fort Dearborn German Shorthaired Pointer Club, German Shorthaired Pointer Club of Illinois, Rock River German Shorthaired Pointer Club and NGSPA Region 5. He served on the Board of Directors of the NGSPA, the National German Shorthaired Pointing Dog Association (NGPDA), and the Field Trial Clubs of Illinois. In addition, Joe served as Field Trial Chairman, Secretary and committee member for numerous field trials, ensuring smooth running events. At events he always said to club committees - "Just tell me what you need me to do and I'll do it."**

**Contributing to every aspect of bird dogs and field trials through the years, Joe judged numerous Field Dog Stud Book (American Field) and AKC field trials for a number of different pointing breeds, including weekend, regional and National Championships.**

**Joe conducted many seminars by himself and along with Delmar Smith, Bob West and Bob McKowen. These seminars assisted newcomers to the Bird dog sport in the development of their dogs. He also provided bird dog demonstrations for Midwest Outdoors. He generously helped out with many local clubs “training days” and local demonstrations.**

**Joe was most proud of helping introduce newcomers to this sport by assisting them with training, questions and any other way that he could. ## GSPCA Health & Welfare Committee Report – 30 December 2021

Karen Rooks Nauer

Liaison: Shelley Schwerdt

The H & W Committee has completed the following activities this past quarter:

- Based on GSPCA member feedback during the NSS the Committee did the following:
  - Researched and reviewed the Breeder Options listed in the CAER Exam (formerly CERF) and will be publishing an article in the Journal in early 2022.
  - Reached out to several schools of veterinary medicine to explore the availability of genetic tests for hermaphroditism and dwarfism for GSPs. I also contacted the new Chief Science Officer at the CHF. Still waiting for responses from UC Davis and the Canine Health Foundation. Three other universities did not have any tests available and had no capacity at this time to pursue the development of tests.
  - Responded to fifty-four owners of GSPs who contacted the H & W Committee about owning GSPs with Epilepsy and looking for resources to better manage their dogs with Epilepsy.
- Continued the plan for raising money for Epilepsy with a very successful outcome. The Committee wants to thank the BOD for approving \$13,414 from the Purina Advised Fund. This would round up the \$12,586 to \$13,000 and match the member donations for a **total donation of \$26,000.**
- Provided articles and topics of interest to the Journal and the Facebook page.

### Ongoing Activities for 2022

- Working on the redesign of the H & W section of the GSPCA website.
- Planning fund-raising activities for the NSS including chairs, welcome party, other ideas and Top 25.
- Articles and information for the Journal, website, and Facebook page.
- Respond to multiple questions from members and non-members about a variety of health questions.

### Requested Actions for BOD Approval

The Committee is hindered by not having an updated section of the website and increases the workload of the Committee members. Every time a member contacts the Committee about a health question, a personal email must be sent with detailed information instead of referring members to the website. An example is the 54 emails I sent to members with information about Epilepsy. I sent copies of the articles the Committee provided to the Journal and the link to CHF for resources and how to donate for Epilepsy. The GSPCA loses the opportunity to have members look at other sections of the website and an easy way to make donations from the GSPCA website to the CHF. There was no easy way for members to see how much money had been raised. This same issue was true for the Hemangiosarcoma campaign. People are more likely to donate when a health issue happens to their dog, and they are looking for information and how to help their dog and others with the same issue.

I have had at least twenty complaints from members in the last year seeking the requirements for CHIC on the website. One member also copied several BOD members blaming the H & W Committee for the website being under construction for such a long time.

This issue has caused major frustration for the Committee members and GSPCA members. Many Committee members have written articles and provided timely content for health issues that have been in social media and there is no timely way to respond except for the GSPCA Facebook page and an article in the Journal. After discussing the issue with Sharon. Sharon instructed me to explore vendors to design a website for H & W Committee. I talked to four different vendors and there is one vendor who best understood the project. The cost would be \$2,500 to design a website for the H & W Committee and provide training to keep the website updated. The Committee is asking for approval to spend \$2,500 for a website.

**NAGDC:** UTD. Posted updated Running Rules in January 22. Got the catalog ad page updated, posted the Premium List and sent announcement blast.  
<https://www.gspca.org/Events/NAGDC/>

**NSS: 2021:** New this year the Results blog wasn't necessary, because Jeff posted results to the BaRay site daily. This saved Marty (and me) a lot of time reporting results during the event. Copying the BaRay results to the website was simple, so this worked great from my end. Exhibitors did not send corrections like they have in the past. I also have **not received official NSS photos** from the event photographer.  
<https://www.gspca.org/Events/Results/NSS/2021/>

**2022:** site is published. Earlybird : **Catalog Ads** are open and being sold.

**Trophies:** All the obedience / rally trophy prices changed, so it took a few hours to update PP buttons. **Trophies:** being shared privately for Legacy donors, will go live Feb 1. **Cardiac Clinic, AKC Judge Seminar, Room reservations** are public. I have created spreadsheets for **Banquet, Top 25 Dinner, POTH** and **Catalog Ads** to help organize. <https://www.gspca.org/Events/Specialty/2022/>

**On the Member Section:**

- Added all Job Descriptions that have been sent to me
- Added Minutes, including back minutes that never got sent
- Updated BOD meeting minutes (don't have to click as many times to see the content)
- Added FAQ including "How do I set up my GSPCA email"
- Work w/MemberClicks to update the template ©2022
- Judge Nomination form = currently active (See previous)
- Futurity Forms = update to 2022 (2023 Nominations) and publish
- Add issues of the Shorthair Journal every 2 months as Bonnie sends the file
- Added All Time Top Producers spreadsheets from the last 3 years (under CLUB BUSINESS)

**OTHER NOTES:**

The two areas that are not caught up on the site:

1. Health & Welfare section (I was instructed to hold off on this project)
2. Older NSS results (we have results from 2001-2013, minus 2002). I plan to involve the new Website assistant to pull the content from the old site and reformat it so we can add those results to the current site.

**Webmaster Assistant:** As of the submission of this report, we have one letter of intent, and another potential candidate is “still thinking about it” - I sent her another Job Description and asked her to send a letter of intent with a deadline of today, and hoping to have those candidates for Board vote soon. I’ve created an email account for this position: [web-assistant@gspca.org](mailto:web-assistant@gspca.org)

**PayPal Assistant / Treasurer Assistant / Ecommerce Liaison** I started this job description based on my PayPal duties. I also started a spreadsheet for the person who takes on this job, explaining what to do and who receives the varying transactions. I’ll finish that spreadsheet when I get a chance. I have reserved a new email account dedicated to this position, just need a title to get that set up.

Site **SSL certificate** renewed 1/23/20. I have set up an automated notification going forward, because site security must be renewed annually and can’t be set up to auto renew. It costs \$100/year for site security.

## **Website: Upgrade**

I had a request to find a way for people (other than me) to have the ability to add content and make updates to the website. In its current structure (Dreamweaver), the only way that is possible is if the other person has the same software and knowledge to find the files to update. So my solution to this is to propose that we migrate the website from the current Dreamweaver site to a different technology, WordPress (WP). I have built a few pages on a test site, and Becky has a link to share a short video.

WordPress is a Web based application. It can be accessed from any computer with a browser, internet and login credentials, and by multiple administrators. WP began as a blogging application, and although WP has been around for almost 20 years, it's only in the last few years that third party companies have written solid, customizable templates that have allowed WP to eclipse Dreamweaver and transition into the top spot as the **best foundation platform** for any kind of website.

The bulk of the GSPCA site still needs to be migrated, either to the upgraded Dreamweaver template or to WordPress. So we're looking at roughly the same amount of work, either way, to upgrade the site.

Below are some WordPress features as they would benefit GSPCA:

- There are thousands of third party plugins / applications that allow WP users to do all kinds of things, for example: being able to take photos at an event and upload immediately to the site while the event is still going on.
- Responsive layout: Ability to test pages to see how they display on Computer, Tablet, Phone
- Troubleshooting: Our host company (Abacus Arts) has access to a website that has actual devices, not just simulation (as in testing). So when members have trouble with a page or a feature, we'll be able to quickly solve the issue.
- WP is easy to learn (for those who are not web developers), with a WYSIWIG (What you see is what you get) interface for updating simple content. Pages can go live immediately or be **held for approval by an administrator after review**.
  - WordPress **Summary of Roles:**  
<https://wordpress.org/support/article/roles-and-capabilities/>
    - Super Admin (Missy, Rip) – somebody with access to the site network administration features and all other features.
    - Administrator (Missy, Rip) – somebody who has access to all the administration features within a single site.

- Editor (Website Assistant) – somebody who can publish and manage posts including the posts of other users.
  - Author (Website Assistant) – somebody who can publish and manage their own posts.
  - Contributor (Committee Chair or Officer) – somebody who can write and manage their own posts but cannot publish them.
- Cost: WordPress requires a Database, which we do not currently utilize via hosting of our public site. So, hosting will go up about \$35/month. The 3rd party, customizable template (DIVI) requires a \$100 one-time fee for the template license.
  - Aside from the scalability and search-engine friendly nature, WP use of a database to store all the key components and content keeps the site super fast at delivering webpages, even for the largest websites (our site is a LARGE site) which will make our site display faster.
  - One great benefit of switching to this web-based technology is: someone else who also knows WP will be able to step in and do updates should I become unable to perform this job.

**My current goal is to migrate the site as it is, with improvements built along the way.** The site will be built with templates, so it'll be simple to do site-wide changes regarding things like menu updates, colors and content. The new site will be available for review before going live. I'll continue to maintain the current site through our events this year, so the membership and the public won't have a disruption while the new site is being developed. I don't anticipate this project taking as long as the redesign of 2015. That was a complete new design, with new content and a new web server, email etc. What we're looking at is a copy/paste type of migration from the current site to new templates, on the same server. Once we go live with the new site, there will be some apparent differences but it should appear and perform much like it currently does.

Along with my new computer, GSPCA subscribed to the updated Dreamweaver / Adobe Creative Suite. These are invaluable tools, and will still be utilized if the Board chooses to opt for a Word Press site. Word Press does not require any further purchases other than license and the bump on hosting for the database.

Action Item: Vote on Word Press upgrade

## **GSPCA Treasurer Assistant**

### **RESPONSIBILITIES:**

The Board will appoint a Treasurer Assistant whose responsibilities include but are not limited to:

1. Monitoring the GSPCA PayPal account
2. Forwarding purchase transactions to committee chairs or volunteers (i.e. Journal ad payments to Journal; Yearbook purchases to the Yearbook Editor; NSS purchases to those volunteers who are coordinating a specific event or activity, etc)
  - a. Keeping up with who is responsible for what activity / event
  - b. Following a consistent naming convention so recipients can easily organize emails using filters or sort-by-subject (i.e. "SJ Ad Special NSS: Lastname; or "NSS Trophy: Lastname"
3. Acting as liaison between PayPal (General Club) and PayScape (Membership)
4. Issuing PayPal refunds as necessary, and keep proper documentation
5. Acting as backup for Webmaster in administration/creation of PayPal buttons that appear on the public website

The ideal candidate will be detail/numbers-oriented and savvy with email. General knowledge of the internet and PayPal / ecommerce is required. Proficiency with Excel spreadsheets is required. Institutional knowledge of the GSPCA: our history, our officer/committee structure, areas of competition and familiarity with the three major GSPCA National events will be helpful.

It is estimated that this volunteer position will usually require ~1-2 hours per week, more during the run up to NSS.

GSPCA ROM Report - January 2022  
Committee Chair: Renee Lara  
Liaison: Becky Feigh

My ROM report is same. I need nothing and all is up to date and going well. The Committee is not opposed to adding Rally just keep in mind that opens the door for Dock Diving, grandchampionships, barn hunt, tracking, scent work etc..... Then it becomes a problem of when to stop. I have constant request to add dock diving and Rally. If the board feels the committee should add rally we can work up a proposal. Probably more people contact me about dock diving. I personally feel it is a fair system and should not be changed at this time. If you could put this e-mail in as my report I would really appreciate it.

Thanks Renee

**Report prepared by: Sharon Fitzpatrick**

The GSPC of Nebraska will once again host the GSPCA North Central Regional Classic on May 9<sup>th</sup>, through May 12<sup>th</sup>, 2022 at Branched Oak, Raymond NE. This was approved at the last Board meeting in June.

For the last several years we have only had one club requesting to hold a Regional Field Trial. If any club is interested in hosting a FT Regional there is information listed on the website and I am happy to answer any questions and help the club through the process.

At this time I do not have any additional requests.

## Yearbook Report January 2022 BOD Meeting – Deb Broad Liaison: Dan Schoenfelder

The 2019 yearbook is being worked on and will be finished spring to summer of this year. Due to all the previous limitations with the pandemic, it slowed the whole process. I plan to put the 2020 and 2021 together, 2020 being very limited, so that we can catch up to only being in the rears as we were normally before all this happened.

I should have more possible areas of discussion by the next meeting and this book is behind me.

Hoping everyone stays safe and healthy

Thank you, Deb

I pulled this from the individual running rules.

I would suggest that an audit of mailing list for the Journal be done. I get 2 Journals and one of my puppy people that have 2 Jr members get 3. I know the Journal is a money pit and this would help as I'm sure these aren't the only cases. Even if one is sent to the "clubs" and another to the same address I think that should be changed to only sending 1 per address. Thank you

**Subject:** **GSPCA agenda item**

Good morning:

My husband and I are very active in the GSP field trial community, competing our dogs (except when pandemics interfere) extensively. We are also licensed AKC judges for field trials and hunt tests. We have the honor of recently finishing our first Dual.

Several recent GSPCA sanctioned field trials have been marred by misbehaviour, cheating, etc., causing a high level of disgust and distrust with how fair and well-managed are our field events. Given how expensive running dogs in field trials is, the time and effort commitment required to do so, and the willingness of a few bad apples to bend/break any and every rule to win, we need to take positive measures to help protect our sport.

The 2 most common concerns I have heard discussed/grumbled/griped about at field trials have been 1. Is the dog at the breakaway actually the dog entered? And 2. Inconsistent judging requirements/favoritism at call back to retrieve. I am going to focus on the first concern.

A common concern I have heard discussed, during private conversations between field trailers at events, is how are any of us confident that the dog at the break away IS the dog that was entered? There are several pro handlers and pseudo-amateurs that have LARGE strings of dogs. They'll carry 30-40 dogs to an event, and run 8 or 9 of them. Many of these dogs are solid-liver head/white body in markings, so are very difficult to distinguish between, other than gender. Judges, other competitors, and spectators at these events have to just trust that the correct dog was brought to the line. Given the tarnished reputations of many of these pro's and pseudo-amateurs, there isn't much trust to go around. This, inevitably, leads to extensive speculation as to whether a "ringer" was brought to the line instead of the dog that was actually entered. I have had several conversations over the years with judges who admitted they weren't sure the dog in the call back was the same dog on course.

My own personal experience with this problem: we have 2 brothers, PacMan & Peanut, that are dark liver roan and difficult to distinguish between unless standing side-by-side—we have been questioned at the breakaway before, is this the right dog?

Given the struggle we are currently in, trying to preserve, promote and advance our sport, I am very concerned about even the appearance of cheating/favoritism/etc., especially to novice competitors. The constant low level of grumbling about possible "ringers" at the breakaway sets the stage for distrust of the entire process, and turns novices away from GSPCA field events towards other activities, leaving them with a bad taste in their mouth regarding field trials.

I am requesting an agenda item: for GSPCA sanctioned field trial events, microchip information is to be required on the entry form. The microchip will be required to be scanned at the breakaway by the line marshall, to verify it matches the entry form. The last 6 digits of the

microchip can be appended after the dog's call name in the judge's book, and in the printed running order, so the additional work burden for the event secretary will be minimized. This simple method will effectively end the discussion/speculation as to whether the actual dog that was entered was the one that was run. The microchip would be scanned again for the call-back, of course. (It would great if the vizsla and weim people did the same thing—I can only imagine the speculation going on in their ranks, given ALL their dogs look exactly alike...)

With regards to entry form paperwork: for manual entries, the AKC blank template in current use does not have an area to put microchip info. However, the microchip info could be put after the dog's registered name (in parentheses?)—there's plenty of room. Adding the microchip to digital entries (GSPCA online, perfdog.com, etc.) is well out of my limited knowledge of computer coding to make any recommendations.

This microchip requirement should impose no significant financial burden on dog owners—the vast majority of bird dogs are microchipped already, and it is required for OFA certifications.

In thinking through the logistics of adding microchips to the list of requirements, I acknowledge that a determinedly dishonest owner/pro/handler/whatever could list Dog A with Dog B's chip at one trial, and Dog A with Dog C's chip at another. I have no solution for that kind of scenario, other than the microchip info to appear on the running orders. Persons concerned that switches are happening can retain running orders, and compare microchip information, should they have a concern.

To put my money where my mouth is, and impose no financial burden on GSPCA, I will donate 2 microchip scanners to GSPCA, for use at GSPCA-sanctioned field trial events, if this item is approved.

Please feel free to reach out to discuss this idea with me. I am happy to offer any information/suggestions/etc.

Thank you for your time!

Best,

German Shorthair Pointer Club of America

Lynn Pettinato - Secretary

Dear Lynn,

I am writing to ask that your Club continue to be among our Parent Club Donors. You have supported the Dog Judges Educational Foundation in the past, and for that we are extremely grateful. Now we need your help more than ever.

As you know the past two years have wrought havoc on our sport. I am sure that our situation, while fairly dire, is not unique. Our March 2020 ADSJ Advanced Institute was closed down at the midpoint of the program due to covid. Indeed the entire Kentuckiana Cluster of Shows was halted after only two days of the planned four day cluster. Nearly all of the direct expenses for the 2020 Institute had to be prepaid including the lunches for the entire four day program. Unfortunately, the caterer for the convention center has refused to give us any credit for the two days worth of lunches we did not receive, even though they used our food for their other business.

The DJEF has decided to offer the balance of the 2020 Institute program at no additional cost to the 2020 registrants that have already paid for the full program. This will require that we pay all of the expenses for the second half of the 2020 program over again.

Now, the Dog Judges Educational Foundation, a 501c3 corporation, is a small foundation which operates on a very limited budget. We receive income from our major sponsor, the American Dog Show Judges, Inc., our Parent Club Donor program, an occasional publication or pet food company and a couple of individual donors. However, the great majority of our income is generated through registration fees. After the 2020 setback we received another financial blow when we learned that the 2021 Kentuckiana Cluster, the venue for the Institute, had to be cancelled and with it our 2021 Institute.

So here we are. The balance of the 2020 Institute program will be offered in March of 2022, but we sure could use your help. We hope we can rely on your generous support once again.

Enclosed is a Parent Club Donation Form and a return envelope. Your Club's donation will be recognized in the Institute Program and on Institute signage. (see past Parent Club Donors page).

Thank you for your consideration.

Sincerely,

Dr. Gerard C. Penta
