STATE OF THE CLUB

President's Report June 2023

Since our Board Meeting in San Antonio in February I have had the opportunity to once again attend the GSPCA National Amateur Gun Dog Championship in Pinckneyville, IL and the National Specialty Show Field Trial in Hunt Valley, MD.

Many thanks to our hard-working Executive Committees, our judges, everyone who helped in some way and to the entrants who showcased their dogs. Congratulations to the winners!

During this time frame I have written a President's Column for each of the Journals and well as a few articles. I have responded to members and non-members inquiries over the phone, via email text and messenger. I try to be as timely as I can but I know sometimes I don't answer as quickly as I would like. I have served as liaison for the Journal, the NAGDC and rescue.

Along with the board I have been a part of discussions and decisions handling the business of the GSPCA. I want to recognize and thank each of the Board members for all of their efforts and the work they put in to make sure we continue to move forward as an organization. I greatly appreciate their dedication and willingness to give up their personal time to support the GSPCA.

Myself, and the Board of Directors try hard to keep you up to date in what is going on with the GSPCA. As always, if you have any questions or comments, please don't hesitate to reach out to your local director or me. I am always glad to speak with members and talk about our GSP's and the GSPCA!

Thanks for your support and being a member!

BOD Meeting/June 2023

Committee Report

Committee: Vice-President

Report Prepared By: Karen Rooks Nauer Date: 5 June 2023

1. Provide a summary of activities since the last submitted report:

Attended the NSS and Delegate's meeting and the member meeting. Distributed several updates from AKC on a variety of topics to the BOD. Answered several questions from members.

2. Indicate any changes made for improvement, the result of changes, and any requested future changes:

I have a few suggestions for the NSS:

- More communication about where and what time events will be held. I spent a good deal of time asking and answering questions about this topic.
- Consider offering the annual dinner on Friday night with a short reception after BOB on Saturday to recognize the winners and judges. Too many people are anxious to leave and don't attend or leave the banquet early, including this years' winner.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

My only expense was attending the BOD meetings.

4. Committee Needs (please list in order of importance):

5. Action Items for Board consideration:

German Shorthaired Pointer Club of America BOD Meeting/June 2023 Committee Report

Committee: NAGDC

Report Prepared By: Teresa McCreight Date: 5/29/23

1. Provide a summary of activities since the last submitted report:

The NAGDC was held on April 14 -16 in Pinckneyville, IL at Pyramid State Park. Judges were Julie Nelson and Cindy Findley. We had 27 entries and 24 starters. Committee members in attendance were Caleb Bryson, Vanessa Carmean, Teresa McCreight, Rich Miller and Jon Sensinger.

Feedback received informally and formally through survey was positive overall. The committee had a debrief May 22nd to discuss 2023, begin planning for 2024 and vote on proposals for 2025. All committee members were in attendance and voted by majority to hold the 2025 championship in Pinckneyville.

2. Indicate any changes made for improvement, the result of changes, and any requested future changes:

The championship had a dedicated photographer for the first series which will provide a nice journal article.

The current course is being evaluated to determine if we can find a breakaway closer to camp.

We would like to add prizes/trophies for 3rd and 4th place. Due the historic profitability of our event we feel like this could be accommodated.

We are evaluating hospitality, namely meals, in response to attendee feedback.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

The event showed a profit despite lower than anticipated entry due to fundraising efforts and tight budget control.

See attached

4. Committee Needs (please list in order of importance):

There are several staffing needs. We need to replace Cynthia McCracken as Secretary. Someone with advanced excel skills would be helpful to assist with communicating the event to members who have qualified.

5. Action Items for Board consideration:

Approval of 2024 and 2025 in Pinckneyville.

113 Total Entries into the 2023 Futurity out of an eligible 136 pups.

The 2024 Futurity has had a very slow start compared to past years. To date there are 17 litters Nominated.

A clarification of the GSPCA Membership Requirement for all owners and co-owners of dogs competing in the Futurity has been and will be attached to every 2024 Nomination Receipt. People have interpreted this rule in many ways and pound myself and Lorelei, as well as the Board for approval, on February 28th of each year to get memberships on co-owners at the last minute. We get “applied for”, “pending”, “waiting on Board approval”, etc, etc as membership numbers for these owners. The rule states membership is due on January 1st and All Owners and Co-Owners must be current GSPCA Members by February 28th. The clarification will state that membership must be approved and a membership number issued by February 28th or the puppy will not be eligible to compete in the Futurity. No Second Forfeit Forms will be accepted without an actual GSPCA membership number. Since clarification is being made with each nomination as well as on the GSPCA Futurity Webpage, I plan to uphold this rule beginning in February 2024. There should be no misinterpretation after everyone gets the clarification with their 2024 Nomination Receipt.

NFT report for June board meeting

Committee Head: Kevin Temple

Liaison: Dan Schoenfelder

We are in the process of securing all the Judges. We need three more judges to complement our 12 total judges for the four stakes. We will submit the full list to the BOD as soon as they are locked in and voted on by the committee.

We have discussed a request for donations for trophies, that will be loaded online, as well as getting it into the Shorthair Journal. We are also looking for additional corporate sponsors.

We are considering trophy changes, have found an option, and are awaiting quotes. As soon as they are received, we will have an EC meeting to vote on this issue, and forward that to the BOD as well.

Cynthia has confirmed that Shelly will cook again for us this year, and we are trying to line up the banquets we will offer and secure sponsors for them.

Ribbons, birds, and wranglers have also been ordered.

Thanks,

Kevin

Report Prepared By: Jeri

Liaison: Lynn Pettinato

The trial was a huge success! So glad we changed the location to our local training club. We filled every day! We even made some money! We received nothing but compliments. Everyone loved the team toys donated by Kris and I. Team is a huge hit up here in NY! The judge had nothing but good things to say about the club. Unfortunately, we have so few GSPCA members here that Kris and I work our keisters off and beg our friends to help out.

AKC DISCIPLINE GUIDELINES - EFFECTIVE August 31, 2022

Explanatory Notes

- Articles XII and XIV allow for discipline for “conduct alleged to have been prejudicial to the best interests of purebred dogs, purebred dog events, or the AKC.”
- Discipline in excess of the *Aggravated term*, or *less than the Mitigated term*, must be approved by the AKC Board of Directors (“Board”). Discipline imposed for cases not covered by the Guidelines must be approved by the Board.
- Circumstances that could, but would not necessarily result in an act of misconduct being Mitigated would include, but not be limited to:
 1. The lack of any prior offense.
 2. The lack of experience as a participant in events.
 3. The minimal nature of the offense.
 4. Recognition of wrongdoing.
 5. The recommendation of the Events Committee.
 6. Payment of restitution and proof thereof prior to AKC reviewing the matter.
- Circumstances that could, but that would not necessarily result in an act of misconduct being Aggravated would include, but not be limited to:
 1. A record of prior offense(s).
 2. Extensive experience as a participant in events.
 3. The seriousness of the offense.
 4. Refusal to acknowledge wrongdoing prior to formal issuance of Charges.
 5. The recommendation of the Events Committee
 6. The action(s) of the individual resulted in the death of dog(s)
 7. The misconduct is directed towards or with a person under 18 years of age.
 8. Failure to pay restitution prior to AKC reviewing the matter.
- An especially egregious offense will result in a more severe length of suspension and/or fine than suggested in the Guidelines.
- Multiple serious offenses may result in a lifetime suspension of all AKC privileges.
- These Guidelines will be reviewed from time to time.
- Event Suspension is a suspension of event privileges for the individual and applies to dogs registered or co-registered at the time of suspension, or subsequently obtained during the term of suspension, which may not be entered or compete in events during the term of suspension unless they are transferred to another individual.
- Registration Suspension is a suspension of registration privileges, which means AKC will not accord registration of any litter, or individual dog or transfer ownership of a dog solely or in part by the suspended individual. In addition, AKC will not register any litter of dogs if the sire of the litter was owned solely or in part by a person who is suspended on the date the mating occurred.
- Suspension of all privileges would include both event suspension and registration suspension.
- At the discretion of the Management Disciplinary Committee (“MDC”) or the Staff Event Committee (“SEC”), a condition of suspension can include the prohibition of a suspended individual from being allowed on the grounds of an AKC approved event. The factors for MDC or SEC to take into consideration in adding this condition of suspension are 1) the possibility of future harm to an individual(s) and/or animal(s); 2) the nature of the conduct that lead to the suspension; and 3) the involvement of the authorities.
- Payment of restitution for damages shall be paid as a condition of any reinstatement of privileges, in addition to any other applicable conditions.
- Complaints against a judge at an event which involve deviation from standard judging procedure and responsibilities are to be reported to the Field Representative in attendance or the applicable AKC department and handled internally by the AKC.
- Conduct addressed by SEC involving an individual who is an AKC approved judge, may lead to review by the applicable AKC department to determine if further action is warranted specific to the person’s judging privileges.
- When discipline guidelines become less punitive, the new penalty (suspension period and conditions and fine, if applicable) will be applied to persons currently under suspension for that offense.
- Month is abbreviated as “mo”. A month suspension is defined as being thirty (30) days.
- For violations denoted with an asterisk (*), reinstatement is contingent on passing an AKC kennel inspection, which will be scheduled only after the associated fine has been paid.
- The classification of an offense(s) within these Guidelines will be made by either the MDC or SEC. SEC will base the classification on the wording in the complaint and may determine that multiple offenses apply. The penalties for multiple offenses will run concurrently unless MDC or SEC determine that based on the severity of the offenses or record of prior offenses consecutive penalties are warranted.

IN THOSE CASES WHERE AN EVENT OR REGISTRATION SUSPENSION IS CALLED FOR, THE AKC MANAGEMENT DISCIPLINARY COMMITTEE MAY RECOMMEND THE SUSPENSION OF ALL PRIVILEGES, WHEN WARRANTED BY THE SEVERITY OF THE CASE.

Complaint

German Short haired Pointer Club of America
MARCH 6, 2023

Previous to the encounter the competitor Lynn Nagrani was eliminated from the Ring for failure to have dog leashed. She carried her dog without the leash even on her person and stepped out of gate. I whistled to the competitor telling her to take her leash. At that point I was not whistling as an "E" but to get her attention. She returned and got her leash but again walked out of Ring with dog in one arm + leash not on dog. At that point I again blew the whistle and gave her a E on scribe sheet.

After jump height done running, as the next height was entering to work, competitor stormed into ring screaming at me as to why I "E'd" her. When I tried to explain that she left the ring twice unleashed she denied it, continued verbally abusing me, threatened to report me to AKC. When she asked my name, as I told her, she reached for my name tag which is attached to my whistle. After looking at my name she grabbed the lanyard/whistle and threw it toward my face.

While I tried to explain reasonably that she left the ring unleashed twice, she heard nothing I said. Attempts to get her to calm down and talk quietly went unheeded. She stormed from the ring.

Witnesses to her not leashing her dog
include Nikki Hall
Anjie Crow
Jeanne Collins.

The same plus the entire 24" X MJ class witnessed the altercation as they were trying to come into the ring for their walk.

GSPCA-Trial

While I was waiting for the 24" JWW walkthrough, I was approached by a handler that was obviously highly distraught & upset & very animated. She told me that the judge had taken away her JWW Q as the judge saw her leave the ring without putting her leash on her dog. The handler was again most upset and told me that she did put the leash on her dog. She started to cry and was very agitated. I tried my best to get her to breathe & calm down and suggested she talked to the judge once the 4 dogs had finished running. She then went into the ring shortly thereafter, but started screaming at the judge insisting she had her dog on leash. She was right up in the judge's face, yelling at her & then she said "Fu" to the judge. At that moment, I turned my back on the interaction.

I witnessed part of the altercation between the exhibitor and the judge. I saw the exhibitor enter the ring, approach the judge and begin screaming at the judge and pointing her finger in the judge's face. Due to witnessing part of the altercation, I am asking to not be included in the committee hearing as I was a witness.

I was ring crew during 4-8 class (JWW-H) on 315 @ the OSPA trial in Murfreesboro. The competitor in question is someone I have seen run before but I don't know her name. She ran clear, picked up her dog, and put her hand on the gate. The judge said "beats 4" and the competitor stepped from the threshold all the way back in, took her leash off the leash holder, and walked out of the 4 with her dog in her arms and the unlocked leash in the other hand.

the Judge then blew her whistle and the competitor made no acknowledgment.

I was also in the ring walking on 24" when this competitor returned, obviously upset. I heard her say "Fuck you" to the judge and say she was going to complain to AKC, ask for the judge's name, and then approach the judge very closely. I didn't see whether she touched the judge from my angle.

I Chris Carol was the Leash Runner for the 4-8 inch jumpers class. A female handler with a Poodle had finished her run and picked up her dog and started out the gate. The judge asked that she put a leash on the dog. The handler went to the leash stand, took the leash and proceeded to walk out of the ring but did not put the leash on the dog.

At the end of the class, the female Handler came into the ring and confronted the judge very aggressively. She was yelling and cussing at the top of her lungs. I saw her ask for the judges name and when she saw the name badge on the judges ~~lanyard~~ lanyard, she proceeded to grab it and fling it into the judges face. After a couple of minutes while still yelling, she did finally leave the ring.

Witness statement of Kristin Jones regarding incident at the German Shorthair Pointer Club of America agility trial on Sunday, March 5, 2023.

On Sunday, March 5, 2023 I was standing outside of the Master JWW ring waiting for 4/8" class to finish running so that the 24" jump height could walk the course. The last handler left the ring after running their dog and the judge started to walk towards the exit of the ring. Almost immediately, a handler entered the ring and approached the judge. By her body language, the handler was clearly upset and she began loudly yelling at the judge about a call the judge had made about her leaving the ring without having her dog on leash. I do not recall verbatim everything that the handler said, but I do remember the handler saying that she had run agility for some number of years (I don't recall exactly how many) and that this had never happened before. And I do clearly recall that the handler used profanity several times including telling the judge "F--- you". The handler was yelling loudly and making a scene. The handler started to walk off and was saying that she didn't care if she got kicked out (which I understood to mean from participating in AKC events), but then turned around and asked what the judge's name was and said that she was going to file a complaint against the judge. The judge calmly showed the handler her name badge, which the handler shoved with her hand back at the judge's face. At that point, the handler stormed out of the ring. Throughout the incident the judge remained extremely calm and professional.

Regarding the video that I provided to the event committee: I almost always set up a tripod and my iPad to video my own runs. I will typically start recording before my runs, and then stop recording after both of my dogs have run. I then edit out my own runs into individual short clips, and delete the longer recording. On March 5, my tripod and iPad were set up in the stands overlooking the JWW ring with a wide angle lens so that my iPad could video the entire ring. I was supposed to be one of the first dogs on the line in the 24" Master JWW class, so I started my recording right before I came down to the ring for the 24" walk through. After the incident described above, I heard one of the committee members ask if anyone had video of the incident. I remembered that I had started my recording before the 24" walk through so that I should have recorded the incident. I checked my iPad and confirmed that I did, and provided the clip of the incident from my recording to Sheila Cook.

Sincerely,

Hearing Summary

17 April 2023

On Sunday March 5, 2023, at the German Shorthaired Pointer Club of America agility trial in Murfreesboro TN, there was exhibitor conduct that resulted in a Committee Hearing. A hearing was held same day however it was nullified by the AKC due to some errors. A rehearing was scheduled for 04/17/2023 @ 6:15 PM. Angela Still acted as Chair and appointed Colleen Scruggs as Secretary for the rehearing. Julie Jernigan was the third member of the committee. Ms. Lynn Nagrani was notified of the rehearing via Certified mail and chose not to attend the rehearing.

Following is a synopsis of the Event and witness's statements (after being sworn in) about what they saw and heard, Committee findings and recommendations.

According to the "leash Runner" and "Judge", the unsportsmanlike conduct occurred after a successful run, and when Ms. Nagrani picked her dog up and started out of the ring, not leashing her dog as required. The judge noted the behavior and immediately blew her whistle and said "Leash". Ms. Nagrani returned to the ring, picked up her leash, however, did not put leash on her dog.

Ms. Nagrani was very angry and complained to many people including Show Chair Sheila Cook, who attempted to calm Ms Nagrani. Her explanation to Ms. Nagrani was met with a deaf ear, Ms. Cook suggested she speak to the judge. While the 24-inch dogs handlers were waiting to walk the course, Ms. Nagrani entered the ring and approached the judge yelling, cursing and made physical contact smacking the judge's lanyard in her face. (The judge stated that it did not harm her).

Show Secretary Jane Mohr was informed by a show committee member that the judge, Sherry Jefferson wished to have an event hearing regarding Lynn Nagrani's unsportsmanlike conduct. Jane Mohr and Committee Chair Angela Still were visible and at the Secretary's table when Ms. Nagrani (who was packing up to leave) came to complain to Jane. She was informed that there would be a hearing today and advised her to write a statement and gather witnesses. Ms. Nagrani refused to stay and informed them she could show at other venues if suspended by AKC. She immediately left.

Witness Kristin Brooks Jones had a video the event in which the bench committee watched during the hearing.

Ms. Nagrani statement was read at the hearing by Julie Jernigan.

After interviewing witnesses one at a time, swearing them in and listening to statements, the Event Committee concluded that the charged unsportsmanlike conduct was proven, that it occurred in connection with the Event and the conduct was prejudicial to the best interests of purebred dogs and AKC events. The committee has decided to let the AKC determine if the conduct was Mitigated, Standard or Aggravated.

The complainant was Judge Sherry Jefferson (724) 914-7825 671 Locust Avenue, Washington PA 15301

Enclosed is my response to your letter of March 22. I include a narrative of my experience at the March GSPCA trial in Murfreesboro along with copies of all of my correspondence with AKC and GSPCA.

I am a slow tortoise in a world of fast hares and do not have experience with telephone conferences. So I will not join your hearing on April 17. I will leave whatever decision is to be made up to the integrity of the GSPCA Event Committee.

Please understand that I was put in an impossible situation with literally no exit. I was being rushed to leash a dog and exit the ring when I could find neither the leash nor an exit. I hope that you will acknowledge the impossible situation I encountered and allow Katy to someday continue her AKC journey.

Yours very truly,

Lynn A. Nagrani

**Narrative of March 2023 GSPCA AKC Agility Trial
Lynn A. Nagrani – Katy Nagrani PAL#275673**

April 4, 2023

My dog, Katy, was entered in all available runs at a four day AKC trial with the German Short Haired Pointer Club (GSPCA) beginning March 5 in Murfreesboro, Tennessee. Katy is a 9 pound toy poodle and my 15 and 16 year old retired dogs also were with us. The trial was well organized, the courses were challenging, and Katy's performance was superb. We were all having a truly wonderful and joyous weekend.

For the fourth day Masters JWW run, we were briefed as always. The course entry and exit was precisely the same as the entry and exit had been for the past three days. It was a typical JWW course although slightly unusual because the weave poles were about 2 feet away from and parallel to the course fence. Also the last jump was in the middle of the left side of the course and another jump was between the last jump and the exit.

As teams began their runs, apparently handlers were complaining that dogs were being distracted because the weave poles were too close to spectators at the edge of the ring. While runs continued, the exit and a large portion of the aisle was closed off with two rows of plastic tape and everyone was told to leave the area near the ring. Handlers were told to wait in or near the hall outside of the ring area where many people and dogs were crowded into a relatively small space. Only a small part of the far right side of the ring was visible and we were not able to see the runs of other dogs.

When our time came, we crossed the cleared path and entered the ring. Katy did a clean run and I picked her up as always and headed around the left side of the extra jump toward the exit. I was wondering if we were supposed to jump over or go under the plastic tape when I realized that my leash was not at the exit where it had been all weekend. Thoroughly confused, I turned around and around in circles trying to locate Katy's leash. I then saw another small gate leading into the bleachers on the left side of the ring. I opened that gate expecting to find the leash but it was not there. I did not leave the ring. I now did not know where the leash was located or if we were to exit into the bleachers or under/over the tape blocking the original exit gate.

As my confusion grew, I repeatedly looked directly at the judge expecting direction. It is virtually impossible to describe the look on her face and the feeling directed at me. She was watching me unable to find my leash and not knowing where to exit the ring while absolutely refusing any direction at all. It is virtually impossible to describe her stare of complete disdain and belittlement. I was shaking all over and genuinely felt threatened. I felt like she was purposely refusing assistance just so she could find some way to punish us.

I kept looking for the leash near the two gates for what seemed like an eternity. I finally saw the leash about 15 feet away in the middle rear of the ring somewhat near the last jump. I left the two gates, went back to the middle of the ring to retrieve my leash, and wrapped it around Katy's neck. I was carrying Katy in my arms this entire time and I exited the alternate gate into the bleachers.

We were quite likely the only team at this trial that had never been to this venue before and I could not see other runs to know how others exited the ring. After exiting the alternate door into the bleachers, I went up a ramp and went out a door. I was completely lost and had no idea precisely where I was or where I went. I wound up in a fenced area with garbage cans and in another fenced area with an exit only back into the building. I could not find my way back to the crate and my other dogs. I was near

hysterics at this point with adrenalin flowing into my veins. I asked someone for directions who told me how to find the long hall back to the crate and my dogs.

I sat down on our rug hugging my dogs and crying my eyes out. In all my 76 years I have never before been placed in such an impossible situation with literally no exit. After the exit gate was closed, there was no announcement of how to exit the ring or where the leash would be placed. We had never been to this venue before and could not see the ring, so I did not know how others were exiting. We have done over 200 agility trials over many, many years. Never have I seen an exit changed and a gate closed after a briefing. I cannot even recall a situation where the area around the ring was cleared making us unable to see other dogs' runs. Nor can I remember any time that a leash was placed in the middle of the ring instead of near the exit.

I entered the ring in the complete joy of a well-organized trial and superb performance by Katy. I left having been emotionally accosted by a sadistic judge. I faced a very long drive home and a very difficult work week ahead of me. Instead of having a relaxing fun weekend, it had been turned into devastating horror.

After desperately trying to compose myself, I went to the Trial Secretary to check on our run. Katy is extremely consistent but not particularly fast so we have many QQ's but few MACH points. Over the last few trials Katy had made amazing progress as an agility dog and she was likely only 3 or 4 trials away from a MACH. We had entered trials for the next 3 weekends and were hoping to come home from this trial with enough added points to be able to reach her MACH by the end of this summer.

The Trial Secretary looked up our run and told me that we had been given an E with no time. I cannot explain my complete shock and disbelief. I had just been struck by lightning for the second time. I had doubted my feelings about the judge's intentions and was still trying to figure out what I could have done differently. But my initial instinct was correct. Not only had I been attacked by a sadistic passive-aggressive judge, a perfectly clean run had been negated.

I went back toward the ring and one of the club officials was standing nearby. I told her that I did not know where to exit the ring and was given an E with No Time by the judge. She instantly answered: "We have had problems with this judge before." She encouraged me to go talk with the judge. I remember thinking that I was in no condition to really talk with anyone but also thought that because of the exit was blocked and the leash 15 feet from the exit that I should at least try to resolve the problem. I waited until the last dog in the Masters JWW class had run and went into the ring to talk with the judge. Obviously, I should have left the trial and gone home.

The judge would not acknowledge the impossible situation I had faced. She spoke to me in an aggressive manner and all she would say is that I left the ring without putting the leash on my dog. This was lightning strike three and she was feeding on her authority over my confusion and pain. I admit I lost it and loudly told her that I would report her actions to AKC. I had done everything humanly possible to find my leash and exit the ring as quickly as possible despite the exit being closed, the leash not being in the usual place, and the judge refusing to offer any direction whatsoever.

I went back to sit on our rug with my dogs and cannot remember how long I sat there in a silent combination of complete numbness, disbelief, and adrenalin induced rage. The Trial Secretary informed me that I was being "written up" and was permanently barred from all AKC activities. She begged me to go talk with the judge and beg her to change her mind. At this point there I knew that any further

interaction with this judge would only make things worse. I packed up our gear, loaded the van, and headed out for a harrowing 4-1/2 hour drive home.

We had already entered and paid for agility trials for the next 3 weekends. Having been told that we were permanently banned from all AKC activity, as soon as we reached home I stopped payment on all checks written for future AKC trials. I did inform each Trial Secretary that we had been banned from AKC and that attempting to cash our check would result in an unnecessary bank charge.

I was completely devastated. My dogs' greatest joy is agility and the combination of my intensive mental work combined with the exercise and travel of agility gave all of us a very happy and fulfilled life. My job requires intense mental focus and software errors can create substantial problems for many people. I had to put agility aside and take care of the substantial responsibility that I hold. Despite many tears and literal screams, I did my best to accept that AKC was no longer in our lives and on March 9th send an apology letter to the club describing the impossible position in which we had been placed. I thought this horrific experience was over and began making every attempt possible to continue quality work for my clients and try to regain the very happy life of me and my dogs.

Then I received a letter postmarked March 13 from the Director of Compliance of AKC. It said that a hearing was held on March 5 and that serious procedural errors had occurred. I had been told at the trial that we were banned from AKC but knew nothing of any hearing. Then on March 29 I received a letter presumably from GSPCA stating that a hearing would be held on April 17 at 6:15 CST. It was not indicated if this was 6:15 AM or 6:15 PM. It said that I could cross examine and provide witnesses and a copy of the complaint was enclosed.

Once again I am pulled back into the torment of this bizarre situation. I have very little free time and now have been forced to have to re-live this horrific experience for an entire month. I do not have plans to return to agility in the near future but never is a long time: my dogs get very little attention during the daytime, agility is their greatest joy, and the travel and exercise agility provides is of essential importance to my health and well-being. I do not know how I am supposed to defend myself when I was placed in an impossible situation. I was a stranger in a strange land pushed into an acute, unfair, unexpected acute stress situation never before experienced in my entire lifetime. I am very sorry that my breaking point was reached and I was unable to handle the situation.

Except for the true fact that I stormed out of the ring, the judge's complaint is almost totally false. When I could not find the exit or my leash, I did not leave the ring. I did open the gate into the bleachers expecting to find my leash but it was not there. There was absolutely no whistle and certainly not two whistles. Had there been, I would have seen and heard both. Between turning in circles and trying to find my leash, my attention was totally focused on the judge expecting to be told where to find the leash and which gate to use to exit. It is the judge's responsibility to provide of entry and exit of the ring without trauma or aggression. Despite my looking directly at the judge expecting assistance, she only glared and refused to offer any guidance of any form.

When I went to talk with the judge, she said absolutely nothing about any whistle or any attempt to communicate with me in any form. Her statement about any whistle or any attempt to offer help or direction is a complete fabrication.

The judge also states that the entire 24" class were witnesses. After I finally found an exit out of the ring, it took considerable time to find my way back to our rug and crate. I sat crying for a significant amount of time, went to the Trial Secretary to check on our run, then went back to the ring area and

saw a senior member of GSPCA, possibly the Trial Chairman. She encouraged me to immediately go into the ring and talk with the judge. I told her that I would wait until the last dog had run. I stood beside her until Masters JWW was over and completed. There is no way the entire 24" dogs could be witnesses because they had run at least 30 or 45 minutes earlier. This should be very easy to confirm with this GSPCA club official.

When the judge refused to acknowledge the impossible situation I encountered, I did tell her that I would report her to the AKC. I did ask her name and when she did not respond I did reach for her name tag to read it since I was not wearing my reading glasses. But it is again a complete fabrication that I grabbed her lanyard and threw it into her face.

As for the leash, I do not know what to say. I may not have put the choker leash tightly around my dog's neck, but I do remember wrapping it around Katy's head as soon as I found it while holding her in my arms. Whatever reality may have been I was acting in good faith with my memory and conscience. I am not quite sure about others.

Except for three ring crew members, we did not know anyone at this trial and have no way to provide any witnesses. We only know that the club immediately informed me that they have had problems with this judge before. We were quite likely the only team at this trial that had never been to this venue before and I could not see other runs to know how others exited the ring. At every briefing the judge always defines the entry and exit. The exit was closed after the briefing. We were provided no direction or assistance to locate our leash and find the exit. I can only guess, but it appears that the judge was upset that handlers were complaining about the weave poles and took out her anger on me and Katy.

This is not about a Q or a leash or even the lack of an exit from the ring. We do lots of trials and Katy Qs and QQs over 50% of the time. We entrusted four days of our lives and \$600 to GSPCA expecting four delightful days of quality time with my dogs, sharing their joy of travel and sleeping in our van, and a refreshing interim from a very difficult but highly rewarding professional life. I worked three 16 hours day to have time available to attend this trial. The cost was over \$600 not including food and incidental expenses (\$342 entry + \$100 RV + \$170 gasoline = \$612). We expected safe runs, fair and honest judging, and joy as we have experienced at 21 other AKC trials and at least 200 non-AKC trials over nearly 15 years. Instead we were told that GSPCA had invited a judge that had previously created problems, we were placed in an impossible situation with literally no exit, and then told that the judge had permanently banned us from all AKC activities.

I enclose a list of AKC and non-AKC trials we have attended within the past few years. Katy entered every available run in each of these trials. We have left a trial early a few times because of unexpected circumstances, but we have never had any problem with a judge. If any club has ever experienced a problem with us, we certainly have not been informed. Please contact as many of these clubs as you like. You will be told that we have never created any problem at any time and that Katy's joy of agility is patently apparent to all.

I ask that you acknowledge that this was a bizarre once-in-a-lifetime perfect storm situation. I did everything humanly possible to get instructions from the judge to determine the proper exit and find our leash to get out of the ring as quickly as possible under extremely difficult circumstances. I was put in an impossible situation that was beyond my ability to navigate. Some manner of consequence may be warranted, but a lifetime ban is excessive. I ask and beg that you allow Katy to continue her AKC journey at some time in the future. Based on our interaction with a known difficult judge, banning Katy and I entry to trials of other AKC clubs where we are known and welcomed is unfair and unwarranted.

March 9, 2023

I was involved in an incident at your AKC German Shorthair Pointer Club of American trial in Murfreesboro, TN, on March 5, 2023. I was told by the trial secretary that I had been "written up" and have been permanently banned from any AKC activity. On, one hand, I do sincerely apologize. On the other hand, I do want your club to understand the very difficult situation in which I was placed.

For Masters JWW run on day four of a three day trial the weave poles were about 2' away from and parallel to the course fence. To get to the course entry gate, everyone had to go closely by the weave poles which affected the run of several dogs. So a ribbon banner was put across the ring exit to keep everyone out of the way. We had a clean run that was almost certainly under time. I was thrilled that my dog would almost certainly again QQ and I picked her up carrying her in my arms.

I headed to the exit wondering if I was supposed to jump the banner or go under it, then realized I could not find my leash. I was literally turning around and around in circles trying to find my leash and figure out how to get out of the ring. I finally saw another gate going into the bleachers and went and opened the gate expecting to see my leash there. I did not leave the course, and when I saw that my leash was not there, I closed the gate. By now I was thoroughly confused and had no idea what to do. The judge was glaring at me to get off the course, I still had not found my leash, and I was not sure which gate I was supposed to use. Finally I saw the leash far away from either gate, retrieved it, and put the small choker leash over my dog's head and went through the gate into the bleachers.

We went up a ramp, through the bleachers, out a door, down a ramp, out another door, then into a big room with many doors. I picked a door and wound up in a fenced alley with trash cans. I tried other doors with no success. Finally, someone was told me how to get back to the main building to my dog's crate. We had never before been to this very large venue with many separate concrete or dirt floored separate rooms. At this point, I was completely lost and in tears with adrenalin flowing uncontrollable into my veins.

After crating my dog, I went to check our run and was told that we had an E with No Time. I knew there certainly was no whistle and was near certain we had a clean run. I went back to the course and told one of the club principles that I could not find the exit gate, got lost, and the judge gave us an E with No Time. She told me that they had problems with this judge before and insisted that I go talk to her. I waited until after the last dog and tried to talk to the judge. She was rude and condescending, and I suddenly realized that she was gleefully enthralled with her absolute control to administer pain. This was a passive-aggressive attack on us and I admit I lost it and thoroughly and loudly told her what I thought of her attitude and her actions. She took four days of our life, over \$600 in expenses, but most of all the immense joy of the weekend. I do genuinely apologize for the loud part.

I do not know if this happened because we took too long to get out of the ring or even just because we were so happy and having too much fun. I admit that I opened the gate into the bleachers to try to find my leash, but I

did not leave the ring without the leash. I exited carrying my dog in my arms with the choker leash loosely around my dog's neck. We did nothing wrong.

Had the judge not put weave poles within two feet of the ring fence, this would not have happened. Had the gate not be closed off this would not have happened. Had the leash been put in the same place as previous days, this would not have happened. When I was literally panicking and going in circles trying to find my leash and an exit, if the judge given me instructions this would not have happened. And if we had been to Murfreesboro before, I would not have panicked and gotten lost in the building. I have to believe that this impossible perfect storm was the work of Providence telling us that it is time for our agility life to be over.

We have stopped payment on our checks for all future agility trials and advised the clubs that we will not be there. We have enjoyed nearly 15 years of agility with 20+ trials each year. We may not be missed, but in this dwindling economy the clubs will lose the \$12,000 or more we spend on agility each year. We have left early and gone home early twice but never before had a problem with a judge.

I work very hard to have time off for agility and the average \$600 expense for out of town trials. Despite all her disabilities, Katy has managed to mature as an agility dog and we came with great joy and anticipation. Up until Sunday's Master JWW, it was Katy's best trial ever. It is frequently said in agility that you never know when it will be your last run. I certainly did not expect our agility life to end this way, but I am very pleased that our last run was a very good one.

Yours very truly,

Lynn Nagrani

German Shorthaired Pointer Club of America BOD Meeting/February 2023 Committee Report

Committee: Versatility

Report Prepared By: David Nauer (Chair)

Date: 5 June 2023

1. Provide a summary of activities since the last submitted report:
 - a. First Quarter 2023 applications processed and sent
 - b. Trophies for 2022 awarded at the NSS or separately sent. One remaining trophy was not picked up at the NSS (as indicated) and will be mailed with Second Quarter work.
 - c. Last board meeting had action item to coordinate with Dean Browning and Tiffany Cessna on questions regarding the VCX program. See section (2) on the details.
 - d. Starting review of trophy options – current vendor has supplied trophies for over 25 years but has had difficulties meeting demand in a timely manner – however, for 1H2023 we may still use our current supplier.
2. Indicate any changes made for improvement, the result of changes, and any requested future changes:
 - a. The last board meeting incorrectly concluded that the VCX program did not include a requirement for some kind of field or hunt credit before award. Although that was true for much of the program (and reviewed and approved through several different board of director reviews), my 2019 committee recommended adding the same criteria required for VC and VCA (e.g. some kind of one point credit for field or hunt) and that was approved by the board of directors in 2019.
 - b. After discussions with Dean Browning, I researched this further contacting a number of individual experts in various fields, including two recommended by Dean (Kathy Kurtz and Cindy Stahle) – I discussed this with those field experts, obedience, conformation, and scentwork experts, and had a wide variety of recommendations. I called Dean and reviewed what I had learned, and provided Dean and Tiffany my recommendation derived from these discussions.
 - c. RECOMMENDATION:
 - i. A full review of the entire program is due every 5 years historically – that will be 2024, so recommend I form a review committee next year.
 - ii. For the current two questions posed by the board and communicated by Dean:
 1. Remove the GSPCA water test as one of the qualifying activities for VC, VCA, and VCX
 2. Remove the NRD as a 1 point award and move RD to 1 point and RDX left at 3 points in the qualification chart
 3. Leave minimum Hunt criteria as is at the Junior Hunter level
 4. Increase Field from allowing puppy (and perhaps derby?) as a one point qualifier for VC, VCA, and VCX, but otherwise continue

considering a point in the field meets the minimum criteria. (Would like the board to decide on whether removing puppy or both puppy and derby is appropriate)

5. For Retrieving Dog Hunt Tests (JH-R, SH-R, and MH-R) for now leave as is as qualifying points, and qualifying for the VCX minimum, and leaving MH-R as qualifying as Hunt in VCX. Further recommend we leave this to the 2024 committee for a full review to leave or change retrieving dog hunt tests in the program as is and make recommendations on any changes at that time.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
 - a. Our costs for 2023 were the 2022 acrylic trophy production and mailing, and mailing costs for the certificates and pins. We had no other expenses so far in 2023.
4. Committee Needs (please list in order of importance):
 - a. None requested other than as noted above.
5. Action Items for Board consideration:
 - a. Review section (2) recommendations made to Dean/Tiffany at the request of the board for possible update of the program for minimum entry criteria modifications for all levels (VC, VCA, VCX), impacts to the GSPCA water test program, and leaving Retrieving Dog Hunt Tests as is for committee review in the 5 year review process.

German Shorthaired Pointer Club of America BOD Meeting 9/10 June 2023 Report

Breed Education

Report Prepared By: Patte Titus Date: 2 June 2023

Summary of activities since last submitted report:

Answer questions and clarify incorrect information about the Breed and/or Breed Standard that arise from something posted on FB. I continue to be amazed at the liberal interpretations applied to a specific aspect(s) of the GSP that was never in the Breed Standard past or present.

With that said, it does give me a lot of topics to consider when writing articles about the Breed or resources when responding to inquiries and questions.

I get questions about pedigrees and dogs in pedigrees. Dispel rumors about specific dogs from the Nineties because I've seen them in person or had my hands on them.

Provide individuals with information about the Parent Club, its events and programs and direct individuals to the appropriate places for information about the AKC events.

Respectfully,

Patte Titus

Who knew when we got Sam back at five months old he would enter into Shorthair history.

His achievements are not only in his titles, but in his offspring. At the age of 14 he has currently produced 8 Dual Champions. He has been GSPCA Dual Sire of the Year for four years, F.I. Sire of the Year, and Hunt Test Sire of the Year. Walnut Hill Kennel is so proud of his personal achievements and all that his GET has achieved. We want to thank each and every person that took on the goals of these awards that are so hard to obtain.

A huge "THANK YOU" to Lucretia Coonrod who has personally finished 7 of Sam's 8 Duals on the Show side. Show handler Laura Reeves finished one.

German Shorthaired Pointer Club of America BOD Meeting/June 2023 Committee Report

Committee: Health & Welfare

Report Prepared By: Karen Rooks Nauer Date: 5 June 2023

1. Provide a summary of activities since the last submitted report:

The H & W Committee was very busy planning the fund-raising and the cardiac clinic for the NSS. Tiffany Harvey-Cessna was instrumental in organizing the task group and doing the great chairs at this year's NSS.

The Committee is still exploring options for a health database and incentives for breeders to participate.

Answered ongoing questions regarding CHIC (5), health concerns (10) and complaints about breeders who aren't disclosing issues (2). Complaints about breeders have fallen in the past few months.

2. Indicate any changes made for improvement, the result of changes, and any requested future changes:

The H & W Committee is still waiting for the opportunity to update the H & W section of the website. The Committee would like an update on when Marty will be ready to assist with this activity.

Planning for a space at the NSS for the health clinics has been an issue at the last two NSS. The clinic had to be moved both years after starting the clinic which is very disruptive to the provider and participants. A request for the space needed was made in advance to the NSSEC.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

Hero for Health Chairs

The H & W Committee sold 26 chairs at \$250/chair. Tiffany Harvey-Cessna donated all the expenses to purchase the chairs and the items included in the gift bags. I received many positive comments regarding the chairs.

26 x \$250 = \$6,500

20% of \$6,500 goes to the NSS = \$1,300; \$1,000 was to be used to support the Stud Dog Gala.

\$520 is transferred to catalog sales.

The remaining \$4,680 goes to the H & W fund within the GSPCA.

The Cardiac Clinic had the following results:

19 Auscultations and 9 echocardiograms for a total of \$3,200. The cardiologist charged \$3010 with a profit of \$190 for the H & H Committee.

The Handling lessons by Melissa:

\$20 x 10 = \$200

Melissa donated her time.

Top 25

Several committee members assisted with the Top 25 and the committee has not learned of the results from this year's event. Leita is working on the P & L for the event.

Misc. Sales of pins, coolers, etc.

Need to ask for this information which I have done.

Total to date is \$5,070.

4. Committee Needs (please list in order of importance):

Update on the H & W section of the website.

5. Action Items for Board consideration:

Finding a new Chair for the committee. I will work on an announcement after the BOD meeting.

German Shorthaired Pointer Club of America BOD Meeting/June 2023 Committee Report

Committee: Judges Education

Report Prepared By: Maxine Moinier

Date: May 23, 2023

1. Provide a summary of activities since the last submitted report:
 - Updated the JE Power Point Presentation to reflect changes in the AKC Breed Standard.
 - Review of the GSP Breed Standard on ZOOM – March – April, 4 Sessions held approx. 40 attendees per session. (Used my personal ZOOM account for these sessions)
 - Presented JE Seminar, Hands-On Workshop and Ringside mentoring at Nationals in Hunt Valley, MD
 - While there were only 3 attendees – I feel that they all left with a very good understanding and grasp of the essence of our breed.
2. Indicate any changes made for improvement, the result of changes, and any requested future changes:
 - Will continue to update and improve the JE Power Point Presentation –
 - Have arranged for JE to be available at the Michigan Sporting Associate Seminars
 - Will continue to offer Review of the Breed Standard sessions starting in the Fall.
 - Will Present JE Seminar and Hands-On Workshop to AKC/DJAA Advanced Judges Institute for Sporting and Terriers December 12-15/23 in Orlando, FL – I have asked Shelley Schwerdt to attend – she is considering my request. The AKC expects 30-40 judges for the Seminar – we will provide Ringside Mentoring the following days.
 - Will Present JE Seminar and Hands-On Workshop for Oregon Dog Judges in Portland, OR January 2024
3. Financial Summary and planned future budget (include any explanations of a loss/decline):

Costs to date: \$0

Presenters have not requested reimbursement for travel expenses in the past.

Future Budget:

Michigan Sporting Associate Seminars

Orlando (December 12-15, 2023)

- o Maxine: Airfare, accommodations, per diem = \$1250.00 approx (2019)
- o Shelley Schwerdt: Airfare, accommodations, per diem = \$1250.00 approx (2019)

Oregon (January 2024)

Maxine (do not expect reimbursement as I will be attending the show)

4. Committee Needs (please list in order of importance):

Reimbursement of expenses for presenters – while presenters have not been reimbursed in the past, the cost of travel has risen and presenters can not be expected to bear the cost personally. JE is a critical need to ensure preservation of the breed's form and function. The GSPCA should support this committee's activities financially.

5. Action Items for Board consideration:

- Reimburse for airfare and accommodation for the length of time to provide judges education at a venue – economy airfare, dog show hotel rates, and a reasonable per diem.

German Shorthaired Pointer Club of America BOD Meeting/June 2023 Committee Report

Committee: Website

Report Prepared By: Missy Neal Date: June 2023

1. Provide a summary of activities since the last submitted report:
 - a. Some files are being stored on the MemberClicks server for purposes of file size (we have a larger limit on MC) - eg the Judges Education PPT presentation, and the 2023 NSS Catalog. Some are being stored for ease of changing out the image - the buttons on the home page, and the Journal cover that appears in multiple places throughout the site and is replaced every 2 months.
 - b. The NSS website was easy to build as content rolled in, and our new E-commerce Liaison took a LOT of the load off my plate by dealing with all the PayPal transactions.
 - c. NSS Results: Rau Dog Shows does not have full listing of our event results. So posting NSS results, which should have been a couple days, has turned into several weeks of slow progress. We pulled what we could from RAU then Marty copied classes from the PDF catalog, used results from the judge sheets sent by Becky, marked placements, formatted and email to me to publish on the site. We have currently posted everything but Breed Judging and Juniors. When time allows, I am going to see if we can go back and do this same thing with the 2022 results, which never made it onto the website because there was no simple way to do it from the posted Ba-Ray results. *what we have posted on the website should be acceptable for Bonnie to copy/paste for the NSS Journal issue*
 - i. I am still waiting for win photos from the NSS. Kim stated she would send them as soon as she gets them.
 - d. Content that needs to be updated:
 - i. 2022 Duals
 - ii. 2021 and 2022 Annual Awards
 - iii. Versatility: Dave sent updates, I have not yet updated
 - e. Obedience/Rally Stats: Belinda has started sending them in an easier format for us, and it's simple to add the STATS to the site.
 - f. I am hearing no complaints from members about the site, so I think it is working fine for everyone. I put a "report issue" form up, but Lynn was the only one to use it — when we first went live— so I disabled it. Now that it's been live for a while, I'd like to hear what the BOD thinks - are any of y'all getting feedback?
2. Indicate any changes made for improvement, the result of changes, and any requested future changes:
 - a. Marty has been putting her website efforts to compiling NSS results. She's on the final section (BOB) and when that is complete she will jump back to her website training - finish that up by the end of June and then will get to the **Health & Welfare**

3. Site. I will be working with her and the committee to build out this site, but Marty will be the H&W committee's go-to for their section of the website
 - b. Training of Volunteers: Ongoing. Marty will be fully trained by the end of June. Lynn is working on it as her schedule allows. Lorelei started last but will likely be the first to jump in and work.
 - i. Lorelei's new assistant will need training too.
 - ii. Reminder: Lynn and Marty have full site access to do updates, Lorelei has limited access [Breeder Referral, Membership, New Puppy Buyer and Regional Clubs.]
 - c. Zend OPcache Module: This plug-in will speed up our site. It is solidly authored by one of the founders of WP, and he's currently testing on a more established website. When he's comfortable that it works as it should, we will be adding this to GSPCA.org.

Why we need it: Plugins are great, and enhance the user experience for your website. But every new plug-in cause more lag. OPcache is a type of caching system that saves precompiled script bytecode in a server's memory, so each time a user visits a web page, it loads faster. You can speed up your WordPress site so it's **around three times faster** or more with the OPcache PHP OPcode caching system.
[Cost=Free]
 - d. Rip has suggested we incorporate content upload by club volunteers to automate the display of items such as monthly stats. This is currently a back-burner item.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
 - a. The domain "www.gspca.org" expired suddenly (neither myself or Dean got the usual flurry of notifications of this impending doom) and caused a momentary panic when the site and email went down on 6-2-23. This was quickly handled by Dean calling NetSol and renewing for one calendar year. *I would like to move domain registration to AAI so all our services are under the same company, which will simplify matters considerably and will be the final act of divorcement between GSPCA and Network Solutions. (See Action Item)
 - b. Website updates and trainings have been slightly exceeding our service plan, but due to his generosity, Rip is happy to let it ride. As we go forward, time demands on Rip will decrease and this will balance out. So we see no need to increase GSPCA's service plan at this time.
 - c. Electronic voting via independent vetted 3rd party: Rip said Becky asked about electronic voting. He is currently utilizing Simply Voting: <https://www.simplyvoting.com/> - There are annual plans, or per-vote (.50 per vote). We can set it up for seamless access from the website.
 4. Committee Needs (please list in order of importance):
 - a. Volunteer to manage the events calendar. Lynn may be too busy for this task, but she is the one through whom all the listings will come. Perhaps Lynn could assign this to a volunteer? We have great calendar software installed on the site, but it needs a person dedicated to learning all its capabilities and posting content in a timely fashion.

5. Action Items for Board consideration:

- a. Transfer domain registration to Abacus. Cost will be \$30/annual plus one-time cost of Rip's time to get the transfer done (maybe an hour). *Important: Whatever time Dean has prepaid to Network Solutions will transfer to Abacus (it is not lost \$\$). We can save \$\$ by doing 5+ years at a time. This is why we registered for 10 years at NetSol ten years ago.
- b. Archiving of emails for email accounts that change hands. We are looking at repurposing a standing email account <member-database> for Lorelei's new assistant. The email address will change. This brings the question of what to do with the messages in that account : deleted permanently or (preferably) archived. If BOD wants - I can archive the messages. It's doubtful we would ever need them for legal purposes, but possible there's some info in them that Membership might need to access at some point.

My name is Madison Wertz and I ask for your consideration for a scholarship from the German Shorthaired Pointer Club of America. I have been active in GSPCA as a junior member since I was nine years old. I am now an adult member as I just recently turned 18.

I got started in the dog world after my family got our first GSP, Hudson, when I was 7 years old. I went to handling class with my mom and learned to show. When I was 9, I started in Junior Showmanship with our second GSP, Sawyer. He and I got to experience so many great things together until he passed away from hemangiosarcoma in 2021. One of my favorite memories was winning Best Junior with him at the GSPCA National Specialty Show in 2019. Sawyer became a Gold Grand Champion and was invited to show in the Top 25 Gala in both 2016 and 2018. I was so happy to be able to show him in both Top 25 Galas. It was fun to pick my music and a fancy dress. We practiced so much for those events. I even wrote an article about my experience for the Shorthair Journal in 2016.

I have also participated in other fun events with our GSPs. One of our GSPs, Tucker, loves dock diving. I handled him through multiple dock diving seasons and we were invited to two Dock Diving Nationals at Eukanuba/Royal Canin. We won an award for Top 3 Junior Handler Team at one of the Dock Diving National Championship events.

Over my Junior Showmanship career, I was invited to the Juniors Invitational at Westminster Kennel Club 3 years. I only got to go to New York for one of the 3 years and it was a great experience. I made it all the way to the last cut before the final 8. I was selected to participate in a team of juniors that warmed up the cameras at Madison Square Garden that year. I also qualified for the Junior Invitational at Royal Canin 6 years.

I worked as a live-in assistant for an AKC Professional Handling team for 2 summers. We travelled to dog shows all over the country those summers. During the school year, I assisted on weekends and whenever I got a break from school. It was hard work with very long hours. I learned a lot about dog care and grooming from working as an assistant. I have used the skills that I learned to care for our own dogs. I also sometimes groom dogs for family members. Working as an assistant gave me the opportunity to show many different breeds of dogs and go to shows that I would not have otherwise been able to attend.

I took an Introduction to Agriculture class my freshman year of high school. While we were studying a unit on dogs, my teacher invited me and my dachshund to do a presentation for my class. I brought the dog to school and I talked to the class about AKC dog shows, dog care and the other fun AKC activities you can do with your dog. The class got to ask questions and everyone enjoyed meeting my dog Fly. Fly and I were also invited to participate in a mock dog show at a local child care center. All the kids loved getting to meet my dog and we were featured in a newsletter about the event.

In the last two years, my focus has been more on breeding and raising puppies. We have had 2 litters of dachshunds and 2 litters of GSPs. I have helped in the whelping and puppy care on all of the litters. I now help train and show the dogs we have bred. I think that will continue to be my focus in the dog world, at least for a while.

I have taken a rigorous curriculum in high school and have dual enrolled my senior year, taking several college courses while in high school. I plan to attend college full-time in the fall. I have been accepted at three colleges and will be making a final selection soon. My current planned major is Psychology.

Dear GSPCA Juniors Chair,

I've known the Wertz Family for many years and have watched Madison Wertz grow up in the world of dogs. I am a breeder of Rhodesian Ridgebacks, and Madison has stepped in many times to show my dogs and done so in a very professional manner. She carried herself with grace and poise in the ring and presented my own dogs to perfection. In the time that I've known her, she has achieved and excelled in many venues in the sport of dogs. Madison won Best Junior at the GSPCA National Specialty in 2019, has qualified for Royal Canin year after year, and qualified for Junior Invitation for Westminster Kennel Club for 3 years. She has also competed in National Dock Diving with her GSPs and was awarded honors for Top 3 Juniors at Dock Diving Nationals.

Madison also excelled in the academic arena, taking AP classes and dual-enrolled at Georgia State University while in High School. She has already been accepted at three universities in Georgia, Georgia Southern University, University of North Georgia and Georgia State University.

I can't imagine a student more qualified to receive a scholarship than Madison. I highly recommend her for this honor.

Sincerely,
Ann O'Mara

Dear Junior Showmanship committee chair, and members.

I would like to introduce to you Madison Wertz, an applicant for the German Shorthaired Pointer Club of America Scholarship fund. I met Madison, who was 7 years of age when she came with her family, Ray, Tina, and younger sister Aubrey to my home to pick up a GSP puppy in September of 2011. Little did we know the purchase would become a love and interest to pursue the many activities associated with this breed.

I quickly became their mentor to guide them in the show and field world. One of the first things I recommended was to become members of the GSPCA to include Madison and Aubrey as Junior members. The dog purchased from me in September of 2011 became CH. Liebmeister Rock Hudson JH. Hudson was the dog Madison partnered with in the training classes on how to train, show, and groom the GSP. Madison then became a Junior member at 9 years of age, and continued her membership till becoming an adult member just recently at 18 years of age.

I watched her compete in AKC Jr. showmanship competition for many years, and her wins qualified her for the Westminster Kennel club for 3 years. Her wins also qualified her to compete in Royal Canin for over 5 years.

Madison also won Best Junior at the GSPCA National Specialty Show in 2019, with the second GSP that was purchased from me, in 2012. GGCH Liebmeister Sawyer Brown JH became a Gold Grand Champion, and was invited to be in the top 25 Gala at the GSPCA National Specialty show in 2016 and 2018. Madison was determined to show Sawyer at both Gala's at 11 and 13 years of age!

She also wrote an article which was published in the GSPCA Journal in 2016 about her experience in Handling Sawyer as an 11 year old Junior in the TOP 25 Gala Event. She worked as a Live in Assistant for a Husband and Wife Professional Handlers team for 2 summers, learning even more about the care of animals. She has also been very involved with the whelping and care for several litters of both dachshunds and GSP's.

She took this knowledge to High school with her, to do a verbal / visual presentation with her dachshund to discuss the care for dogs, along with the AKC role in Dog shows and events followed up with a question and answer session. Her hard work and studies has now allowed her to be accepted at 3 colleges.

I highly recommend Madison Wertz become a recipient of the GSPCA Scholarship award. Your consideration of her would be truly appreciated!

Sincerely,

Debbie King

Member of the GSPCA since 1976

Tammy Hawkins – Member since Jan, 2023 – From Payson, IL

I am experienced in conformation and agility obedience rally scent and Dock Diving. I have had my own pool and mentored. I have also mentored young and older with conformation including show grooming. My location is getting ready to change to Boling Texas and would love to help anyway I can in this area. We relocate June 7th. I have owned my own grooming since 2014. Currently showing GSPS and Standard Poodles. I am experienced on teaching basic swim to Dock diving skills also. So I guess just what ever you need. Our new place does have room. We do have a pool. But will be putting up a mother Dock diving pool also. I just would love to help if anything in that area is needed. Thank you.

German Shorthaired Pointer Club of America BOD Meeting/June 2023 Committee Report

Committee: Meet the Breeds

Report Prepared By: Denise Avery

Date: June 1, 2023

1. Provide a summary of activities since the last submitted report:

Saturday, April 1st, the Museum of the Dog in NYC hosted an event centered on the kids book series *Dog Man*. Dog Man is a k9 superhero, so the theme of the day was dog breeds that work in law enforcement. Working K9 teams were on hand to do live demonstrations, but we were invited along with a couple of others breeds that do such work to participate by having dogs on hand that the public could actually interact with.

I personally had very much looked forward to participating in this event, but at the last minute had to find someone to go in my place as I came down with COVID. Luckily, Emilie Laston and Henry stepped up. Emilie reported it was quite different from our typical MTB experience in terms of event size, but in similarity they spent the day meeting adults and children who just wanted to see and touch dogs. The working dogs included GSPs, German Shepards, Malinois, and a Brittany. Besides Henry, there were a couple of Labs in attendance for the public to visit with.

Westminster Kennel Club hosted a Visit With the Breeds on Saturday, May 6th. Unfortunately, we were unable to participate as most of us here in the northeast were attending the Nationals.

Committee Head: Gene Moseley

Liaison: Mike Kindler

I spoke with Gene, and he had no formal report to submit, after talking with him these are his issues.

Have a pretty good idea of what they want to do.

Expect costs to be 10,000 to 15,000 to complete

Need to put together fundraisers to get funds

Looking for more committee members (ones that want to work)

Not asking for anything from the board at this time

German Shorthaired Pointer Club of America BOD Meeting/June 2023 Committee Report

Committee: __Social Media__

Report Prepared By: __Lynn Pettinato__ **Date: __May 24, 2023__**

1. Provide a summary of activities since the last submitted report:
Sent email blast to form a committee. Received 4 responses. 2 people ended up sticking.
Keleigh West and Maren Onaindia.
We had a few meetings over Zoom to discuss how we handle things and get ideas together
For posting and formats
Set up the Social Media email account for people to send their items
Maren posted one item that has gone viral on TikTok (3.3 MILLION views, 220k likes) and is
starting to go viral on Instagram (7.6 MILLION views, 200k likes) now.
Followers and engagement have increased substantially – 18781 followers on Facebook,
3062 followers on Instagram, 8500 followers on TikTok.
2. Indicate any changes made for improvement, the result of changes, and any requested
future changes:
Keleigh mentioned at the Nationals that someone thought it might be a good idea to have a
member feature on social media that they could pay for. I asked her if they had any ideas
on how that could work and she didn't have any. Is this something we want to pursue?

Consider having National Field Trial utilize Social Media more to draw attention to
merchandise, trophy donation request, catalog ads, etc.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
Continue to support monthly social media education and tools to expand outreach.
4. Committee Needs (please list in order of importance):
None at this time
5. Action Items for Board consideration:

German Shorthaired Pointer Club of America BOD Meeting/February 2023 Committee Report

Committee: Water Test

Report Prepared By: Vanessa Carmean

Date: 06/01/23

1. Provide a summary of activities since the last submitted report:

Here are the clubs that held water tests below:

The GSPC of WI will be holding their annual water test June 11. The premium has been posted on the GSPCA website.

The GSPC of Washington has sent an application to hold a test on June 24, 2023. The event has been approved, no further information.

Perfection Kennels held their water test 5/25 and 5/26 and we are waiting for their paperwork.

2. Indicate any changes made for improvement, the result of changes, and any requested future changes:

None

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

None

4. Committee Needs (please list in order of importance):

None

5. Action Items for Board consideration:

We would like to make a motion to have the veteran aged dogs be changed to 7 years instead of 8 at our National events for Conformation. I just think so many dogs are missing out when they finally get to the 8 years of age and depending on where the National is being held. Plus our Super for the WI regional shows used the National age limit of 8 instead of the one we sent over of 7 years, so again, dogs missed out.

Yearbook Report

June, 2023

Prepared by: Deb Broad

Liaison:

For the yearbook, we are status quo, back on track after a few "hic-ups". There were a lot more events, results, stats, etc. to be dropped in than I expected for especially 2020, but nothing we can't handle and get those taken care of along with the 2021 additions as well.....

there IS a light at the end of the tunnel finally..... 😊 I will address the other things i spoke of last time, once this is done.....that can all wait for now. I want to see this finish line. LOL

NEW BUSINESS

Meet the Breeds

Dear Club Officers,

The American Kennel Club Board and Staff would like to express our sincere appreciation to the volunteers from our national and local clubs for their commitment to educating the public at our 2022 and 2023 AKC Meet the Breeds® events. Each one was wonderfully received, and educated the public about purebred dogs, responsible dog ownership, canine athleticism and more. Attendees were thrilled to interact with the dogs, as well as breed experts, and enjoyed our multiple sport and working dog demonstrations.

21st Century Dog/Dog of Distinction – Where are we?

Submitted by Jean Bernier

I would like to make a motion to have the veteran aged dogs be changed to 7 years instead of 8 at our National events for Conformation. I just think so many dogs are missing out when they finally get to the 8 years of age and depending on where the National is being held. Plus our Super for the WI regional shows used the National age limit of 8 instead of the one we sent over of 7 years, so again, dogs missed out.

Submitted by Leita Estes.

I would like to suggest the BOD have a statement that posting untruths about National Events is grounds for disciplinary action.
