President's Report January 2023

I was not able to attend the NFT in Eureka this year due to work obligations but the board was well represented with VP Karen Nauer, SW Director Dan Shoenfelder and NW Director Dominic Petinatto in attendance. I am sorry I missed a chance to catch up with members in attendance but I heard as usual it was an event to be proud of.

Kevin Temple and the NFT Executive Committee managed the three week long event. Thank you to each of them, our judges, everyone who helped in someway and to the entrants who showcased their dogs. Congratulations to the winners!

During this time frame I have written a President's Column for each of the Journals and well as a few articles. I have responded to members and non-members inquiries over the phone, via email text and messenger. I have served as liaison for the Journal, the NAGDC and rescue. Along with the board I have been a part of discussions and decisions handling the business of the GSPCA.

Myself, and the Board of Directors try hard to keep you up to date in what is going on with the GSPCA. As always, if you have any questions or comments, please don't hesitate to reach out to your local director or me. I am always glad to speak with members and talk about our GSP's and the GSPCA!

Thanks for your support and being a member!

German Shorthaired Pointer Club of America BOD Meeting/January 2024 Committee Report

Committee: Vice - President

Report Prepared By: Karen Rooks Nauer Date: 5 January 2024

1. Provide a summary of activities since the last submitted report:

Attended the NFT and Delegate's meeting. Presented the annual awards at the NFT. Distributed several updates from AKC on a variety of topics to the BOD. Answered several questions from members.

2. Indicate any changes made for improvement, the result of changes, and any requested future changes:

I have a few suggestions for the NFT:

- More communication about the financial status of the event to members.
- Survey participants for suggestions to improve the event and ideas for raising money.
- Consider shortening the duration of the event.
- It was suggested to have a marshal to monitor the gallery and step in as an extra judge if needed.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

I attended the NFT at my expense.

4. Committee Needs (please list in order of importance):

5. Action Items for Board consideration:

Having a standing monthly call for the BOD to review current motions and concerns.

Tips on wiring money

Wiring money is just like sending cash. Help protect yourself by knowing how to spot the signs of a scam. Red flags include pressure to send right away, investments that promise high returns, unexpected requests from impersonators posing as well-known organizations, and last-minute changes to established wire instructions. Consider consulting a banker before you wire money.

German Shorthaired Pointer Club of America BOD Meeting/January 2024 Committee Report

Committee: Secretary

Report Prepared By: Lynn Pettinato Date: December 24, 2023

1. Provide a summary of activities since last submitted report:
Daily correspondence with membership, officers, general inquiries.
Weekly approvals of specialty shows
Frequent meetings/communications with committees including social media, juniors, agility, Top 25
Local club interface
Liaison duties with membership weekly
Contract completion for National Specialty Show
2. Indicate any changes made for improvement, result of changes and any requested future changes:
Started to utility Microsoft One Note for meetings. Helps me to keep more efficient notes.
Using local club Zoom for additional meetings as the other meetings seem to conflict with other National event meetings. Perhaps another Zoom seat?
3. Financial Summary and planned future budget (include any explanations of a loss/decline):

None at this time
4. Committee Needs (please list in order of importance):
We need to schedule Zoom meetings for the board before we leave the meeting this weekend. We need to clear out motions more quickly and discuss issues real time rather than via email. I personally need minutes sent out in a more timely fashion. Too much information is in those reports that we are unable to refer members to look up and since the minutes are not approved, I am hesitant to reference anything from those meetings until approved.

5. Action Items for Board consideration:

More timely response on emails.

Liaison: Becky Feigh

I took over the committee after being voted into the position of co-chairman during the June Zoom meeting. Since June we have had scheduled Zoom meetings, the second Wednesday of each month.

We have taken all the correct steps to get the 2024 national in East Peoria, Illinois underway. As of today, we have met all deadlines for AKC and the superintendent, as well as the hotel and the show site.

Along the way, we have given special attention to all the BOD action items. In particular, the issue of communication, which was front and center in many of the items. To that issue, we have, for the first time, appointed a person responsible for communication between the committee and the general membership. As of this time, we feel she is doing an excellent job of informing the membership of the details of the upcoming event.

We continue to address all the tasks, such as advertising, banquets, H & W clinics, etc. We have a committee with lots of new blood, Jennifer Murphy, Billie Ann Heffelfinger, Tracy Duff, Ellen Ritter, as well as me, are all new to the committee. I have found the committee to be very hard-working and eager to make it a great event.

Report to the GSPCA Board of Directors, January 05, 2024

Submitted by Kevin Temple

Liaison: Dan Schoenfelder

Our 70th Anniversary NFT was a success. We were blessed with decent weather, and pretty good numbers in terms of our entries. We had great judging, and there were no issues with the exhibitors. We had to deal with Covid, as several of us became sick while there, me included! I have not seen the final one yet. I am very happy with the turnaround from the past few years of losses. Fortunately, we were able to reduce some of our expenses, and we were fortunate to have received several thousand dollars in trophy donations, and sponsorships. The last revised P&L I received showed a net profit of \$3,475.68.

Our first Executive Committee meeting for this year's event will be held during the last week of January to begin the planning for this year's event. We will be seating a new Secretary at that time, to replace Cynthia McCracken, as she is stepping away after many years of great service.

Field Futurity Event

Prepared By: Terry Bomer
Liaison: Dean Browning

Date: January 5, 2024

Summary: The Futurity field event is run each fall in conjunction with the GSPCA National Field Trials. Owners and co-owners (if applicable) must be members of the GSPCA. The National Field Trial committee manages the Futurity field event. They select judges, marshals and bird planters, set the date, entry fee, course and running time, produce and distribute premiums, receive entries and fees and draw the running order. The entry fee is established yearly and is used to pay all direct and indirect expenses of the Futurity program and event. The Futurity field event is a thirty minute stake judged for consistency and future potential as either an All Age or Gun Dog. Dogs must find and point birds on course. A blank cartridge is fired but steadiness to wing and shot is not required. The Futurity field event is not a retrieving stake. The Futurity Prize Money is calculated as follows: Futurity purse is created from the nomination and re-nomination fees and any penalties paid plus \$10.00 from each Futurity entry. The purse is divided 40/30/20/10 to the four placements with 60% to the owner and 40% to the breeder. The Futurity Manager receives and processes all Field Futurity Litter Nominations and re-nomination of puppies. The Futurity Manager keeps an excel spreadsheet on each year's futurity and calculates the payout for the breeder and the owner & the club Treasurer also calculates and writes the checks for the Futurity payout.

2. Changes: None at this time.

3. Financial Summary:

Futurity 60 held in October 2023: There were 41 litters nominated, with 283 puppies eligible for re-nomination. The litter nomination fees paid were \$2,210.00. There were 63 puppies re-nominated with re-nomination fees in the amount of \$1,115.00. Only 22% of the eligible puppies were re-nominated, 63% of the puppies re-nominated were entered in the Futurity. The total amount of the 60th Futurity is \$3,725.00, which includes 40 entries at \$10.00 per entry and the Litter & 2nd Forfeits fees. The payout was as follows: 1st Place Owner \$894.00, Breeder \$596.00, 2nd Place Owner \$670.50, Breeder \$447.00, 3rd Place Owner \$447.00, Breeder \$298.00, 4th place Owner \$223.50, Breeder \$149.00.

Futurity 61 to be held in October 2024: There are currently 25 litters nominated with \$890.00 collected. There are 164 puppies eligible for re-nomination. There are currently 21 puppies re-nominated with \$300.00 collected. Total to date collected is \$1,190.00

Planned Budget for Future: I do not have a budget for the Futurity Manager's position. The cost of managing and running the event is under the National Field Trial Executive Committee's budget. That being said I do not need a budget as the changes to email have eliminated any costs associated with the Futurity Manager's work.

4. Committee Needs: None

5. Action Items for Board consideration: The new webpage does make it easier to find the Field Futurity Forms. **However all of the past historical data prior to 2002 for all stakes except Futurity 2005 for the Futurity for the National Field Trial has been lost or not transferred to the new website. This is very important information to breeders and the prior winners' and owners' should be recognized on our website.**

Please note I have asked about the website placements for several years and to date have never received an answer back from the board or the webmaster.

Committee: Futurity Show

Prepared by: Holly Faught

Liaison: Dean Browning

44 Litters Nominated to the 2024 Futurity consists of 147 male pups & 161 female pups.

44 Litters @ \$25 = \$1100.00

15 Nomination Late Fees consisting of 12 late fees @ \$50 = \$600.00 and 3 late fees @ \$200 = \$600.00

102 First Forfeits @ \$20 = \$2040.00

3 First Forfeit Late Fees @ \$20 = \$60.00

3 Second Forfeits @ \$20 = \$60.00

Total monies collected for 2024 Futurity to date = \$4460.00

36 different Stud Dogs sired these litters.

One Stud Dog sired 4 litters, One Stud Dog sired 3 litters and Three Stud Dogs sired 2 litters.

These litters came from 21 different states and 1 foreign country. The most litters whelped in one state is 5 from California, tying with the foreign country Canada.

76 Breeders & Co-Breeders were listed.

1 person being either breeder and/or co-breeder are listed on 5 separate litters and 6 persons being either breeder and/or co-breeder are listed on 2 separate litters.

There are a total of 4 litters nominated to the 2025 Futurity to date.

This year, beginning with the first 2024 Nomination, I have sent out a rule clarification with every nomination receipt as well as every first forfeit receipt. The rule of you must be a member of GSPCA prior to Feb 28th (29th this year) will be enforced. In past years, we've let people ride along with excuses like pending, applied for, etc.

These stragglers cause much headache for me and for Lorelei trying to search and chase these memberships. This year, I will not accept second forfeit forms without actual GSPCA members numbers included.

At this time, I have no requests of the Board.

Melissa & Dean,

That's the best I can do. I didn't realize I had everything pretty much up to date.

Thank you,
Holly Faught

German Shorthaired Pointer Club of America BOD Meeting/January 2024 Committee Report

Committee: Agility

Secretary

Report Prepared By: Lynn Pettinato Date: January 10, 2024

1. Provide a summary of activities since last submitted report:

From Jeri Fishack - March 22-24th trial here in NY. We have a fantastic judge - Zach Davis. Kris and I are struggling to find committee members for the trial. We need 5 and we have 3 GSPCA members. If it comes down to it we'll put our husbands down since they are members. It's always something.

Awaiting response from June Johnston – Just asked today though

From Dave Nauer for the NSS - My belief is any NSS status should be handled by the NSS committee, not the obedience or agility committees, right? I can add NSS status into this report if you think it prudent, but THIS is the gap I keep pointing to – AKC titling events held at the NSS should be in the NSS report and under the purview of the NSS committee, and chairs that are heading TITLING events at the NSS should be a voting part of the NSS committee directly.

With that being said, we are having an agility trial on the Sunday prior to the National Specialty Show with Fun Runs being available on the Saturday prior. The judge will be Annette Narel. The event will be at Rush 'N' Around Training Center, Manhattan, IL on May 12. Kim Trczinski will be bringing demonstration items to the National Specialty so we can do demos and "try it's" with juniors in conjunction with the junior luncheon. We are hoping to loop in obedience and rally demos as well.

Lastly, we have had 2 Agility Committee meetings with a variety of folks nationwide attending. We have asked Jeri to advise how she tabulates her stats for review and discussion, but no one has brought up an issue with current calculations.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

None at this time

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

4. Committee Needs (please list in order of importance):

We need to approve the judge, Annette Narel.

Obedience

Report Submitted by: Karen Combs.

Liaison: Lynn Pettinato

Judges are set for NSS (Supported and National): Fred Buroff and Loretta Lazzara

My friend Cindy Bohnert is coming down to assist with the trials. She chairs our local clubs all breed obedience and rally trials. She will be the chief ring steward, she has Dobes so will not be showing. May need one other person to assist in stewarding each day.

My understanding is the obedience and rally eqt has been secured by the GSPCA

Need to know:

- 1) Will there be easels/dry erase boards available?
- 2) Lunch for Judges and stewards ?
- 3) Confirm there will be a cooler with water for the judges
- 4) Entry fee amounts ?

Thank you,

Karen

German Shorthaired Pointer Club of America BOD Meeting/January 2024 Committee Report

Committee: Versatility

Report Prepared By: David Nauer (Chair)

Date: 6 January 2024

Liaison: Tiffany Cessna

1. Provide a summary of activities since the last submitted report:
 - a. Second Half 2023 VC, VCA, and VCX awards processed and certificates and pins sent.
 - b. Basic research for trophy options completed (see below)– current vendor has supplied trophies for over 25 years but has had difficulties meeting demand in a timely manner – and costs have been increasing across the board so looking for alternatives without changing the nature of the trophy dramatically.
 - c. Shorthair Journal 2H23 corrected report was sent on 1/7/24 to the journal editor.
2. Indicate any changes made for improvement, the result of changes, and any requested future changes:
 - a. This program has become VERY popular – it is exploding with folks turning to many events and doing amazing things. We have a record 27 trophies to award this year – 21 VCA and 6 VCX.
 - i. One factor for the VCA explosion is the “fourth” award in six of the 21 awards was a BCAT – a title that has become very easy to earn due to it’s wide availability at Conformation Shows over the past 18 months. So the total trophies that would have been awarded would have been 21 rather than 26 total (15 VCA) without BCAT and instead DCAT as a pointed award.
 - ii. In my recommendations below I’d like to IMMEDIATELY raise the requirement to a DCAT, then turn to my committee (which will be held before the NSS) for recommendations going forward.
 - b. A total of 71 awards were made this year: 44 VC, 21 VCA, and 6 VCX. Examining the nature of the awards, only the BCAT stands out as a factor in some increase – REALLY the popularity of this is A LOT of members are now doing MORE with their dogs – which was a goal of the program.
 - c. I continue to field WEEKLY emails asking questions about the program, what they need to do to get a certificate, and when I mail out the certificates (this year each half of the year) I get inundated on Facebook being copied by proud posts showing their certificate off – it is something that is encouraging folks to get those Hunt or Field work credits (usually a JH, but sometimes some points in the field!) which you must have to even get a VC.
 - d. I had extended discussions this summer with Dean B and had several recommendations from him on talking field and hunt credits. I wanted to wait until end of this year to collect statistics on Scent Work before forming a full committee. I would like to put an email blast out after this committee meeting with two items:

- i. If you approve, raising all levels of BCAT to DCAT
- ii. Asking for volunteers to support a Committee to meet on Wednesday nights at 7pm ET starting February 14, 2024. The goal is to review the ENTIRE program. Prospective members will need to be able to support that Wednesday time slot. I'm requesting the board to identify any folks they would like on the committee in addition to the email blast – I'll need subject matter experts in all sports (Field, Hunt, Conformation, Obedience, Rally, Agility, Scent Work, Fastcat, dock diving, tracking, barn hunt, flyball, and therapy work).
- e. RECOMMENDATION:
 - i. Request board change all levels of "Other" to raise BCAT to DCAT with no grandfathering of any submissions not received effective announcement via email blast
 - ii. Proceed with new committee with two steps:
 1. Mail Blast to membership asking for interest and qualifications – to be sent 24 Jan 24
 2. Recommendations on membership from the board by 26 Jan 24
 - a. I have two from Dean B: Cindy Stahle and Kathleen Kurtz for Field/Hunt
 - b. I will attend and original creator Cindy Smullen will attend
 - c. My board liaison Tiffany Cessna would be a non-voting member
 3. Assign new committee on 31 Jan 24 for first meeting on 14 Feb 24
 - iii. REQUEST Permission to consider moving from Acrylic to Glass trophies for cost savings – I'm still getting numbers and will relay them as soon as available, but locally in Colorado Springs I found that fully custom engraved trophies like these would be \$80 for acrylic, and a little under \$50 for glass (with a base in both cases, as is done today)
 - iv. Topics raised from the summer for review by the committee
 1. Use of GSPCA water test as one of the qualifying activities for VC, VCA, and VCX
 2. Reassess whether the GSPCA NRD should be upgraded to a RD as a 1 point award and appropriate level of the RDX in the qualification chart
 3. Assess Field criteria which presently uses puppy (and perhaps derby?) as a one point qualifier, eliminating them as versatility chart one point credits in field.
 4. Review Retrieving Dog Hunt Tests (JH-R, SH-R, and MH-R), and review the use of MH-R in the VCX.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
 - a. Mailing costs increased to about \$250 for trophies not picked up at the NSS and mailing of certificates (approximately \$1.80 per certificate).
 - b. Record number of trophies will result in a cost of \$2k this year unless I switch to glass – I'm asking our current provider for a new cost estimate (which I do not yet have), and I've checked locally in Colorado Springs and found Acrylic is more expensive, costs rising over the past 2 years.

- i. Acrylic trophies at one location in Colorado Springs was about \$80 per trophy. An equivalent sized glass trophy would be under \$50 per trophy.
 - ii. This year's trophy costs without mailing or taxes would be \$1336.50 for glass and approximately \$2160 for acrylic – but I'd like to get my current supplier's costs now as he has historically been below these costs.
- 4. Committee Needs (please list in order of importance):
 - a. Approval of recommendations.
 - 5. Action Items for Board consideration:
 - a. Approval of DCAT vs BCAT level change effective immediately.
 - b. Trophy cost direction
 - c. Approval of plan for versatility committee.

2023 FIELD TRIAL DATE COORDINATOR REPORT

JANUARY 05, 2024

To summarize 2023, 94 field trials were approved: 64 Horseback and 30 Walking. Of the 94 approved trials, 11 were cancelled leaving 83 actual completed trials. One of the 83 completed field trials was a GSPCA regional classic trial - North Central; two of the trials were GSPCA nationals - the National Championships & National Amateur Walking Championship and 6 of the trial were AKC Regional Championships.

Here's a comparison of 2012 - 2023:

2023	94	64	30		11	83	1	2	6	

All field trial date applications are received by internet files and after verifying the dates and checking club compliance, I am able to electronically sign the documents and e-mail to AKC. The signed documents are then e-mailed back to the applying club. I have already received 30 requests for 2024 dates and 6 of these are AKC regional championships.

A complete listing of the 2023 field trial date approval log is attached.

German Shorthaired Pointer Club of America

BOD Meeting 9 January 2024

Report

Breed Education

Report Prepared By: Patte Titus Date: 9 January 2024
Liaison: Helen Joyce

Summary of activities since last submitted report:

Answer questions and clarify incorrect information about the Breed and/or Breed Standard that arises from something posted on FB. I continue to be amazed at the liberal interpretations applied to a specific aspect(s) of the GSP that was never in the Breed Standard past or present.

I continue to get inquiries about specific dogs from the Nineties and their pedigrees. Some are asking about health issues while others are simply curious about some of the kennels and pedigrees.

Provide individuals with information about the Parent Club, its events and programs, and direct individuals to the appropriate places for information about the AKC events.

Respectfully,

Patte Titus

Janet Chandler got her first German Shorthair in the 8th grade for her 13th birthday. She finished her as a champion in the ring and bred her to her grandsire, Ch. Adam von Fuehrerheim. She sold one of her puppies to a young man named Terry Chandler after he had attempted to breed his Adam granddaughter, but Adam died while he was in Pennsylvania to breed to him. She and Terry co-owned this young male and eventually discovered that they had more than the dogs in common!! They later married, combined dogs and started their life together in Las Cruces, NM. The Rugerheim Kennel name was started in German Shepherds by Janet's parents, then she and Terry continued the name in the Shorthair world. They have two children. The oldest, Kristina was an excellent handler and won Best Junior at the National Specialty on two occasions while their younger daughter, Ashley completed a doctorate program in Physical Therapy.

She and Terry have owned many wonderful dogs, finishing many as show, field and dual champions. One of their best known dogs, Dual Champion Rugerheim's Bit of Bourbon is well known to the fancy and is one of the top Dual producers in our breed. Janet finished his show championship and Terry finished his field championship to complete his Dual Championship. He was their first Dual Champion together and they continue to breed to him with frozen semen that is close to 40 years old. Janet completed the Show Championship portion on over ten of the Dual's that she and Terry bred. She personally finished many other dogs as show champions until having her daughter show the dogs and now their granddaughter Athena who finished her first champion at the age of 13. The strong belief in the importance of the Dual Champion is seen in the breedings Janet does to this day. She and Terry have finished 27 Dual Champions. She has earned an AKC Breeder of Merit designation. She is also a licensed field trial and hunt test judge. She was honored to judge Sweepstakes at the 2007 National Specialty Show. She also works with her local GSP club as secretary of their local field trial and is on the committee for their local specialty.

Janet has worked with the GSPCA in many positions and as a member of many committees. She served on the National Specialty Executive Committee for many years then served as the Southwest Board of Director for several years. During her tenure on the Board, the Parent Club was facing severe financial issues and a lawsuit that dominated their efforts. As a Board, they "rolled up their sleeves" and made decisions that positively affected the club. She served another tenure on the Executive Show Committee in more recent years and is currently a member of the Health and Welfare Committee. She recently was honored with being nominated and approved as an Honorary Lifetime Member of the GSPCA.

One of Janet's favorite things to do is mentor and encourage new people in the breed. Whether it is by selling them a beautiful puppy to get started with, putting on handling classes, getting them to attend a field trial, or encouraging participation in other performance events. Janet has truly dedicated her life to the breed, the German Shorthaired Pointer Club of America, and the sport of dogs.

GSPCA Hall of Fame for Individuals

The GSPCA Hall of Fame for Individuals was created by the Board of Directors in 2001 to honor those persons who have made outstanding contributions to the welfare and advancement of the German Shorthaired Pointer above the ordinary or expected and beyond their own self-interest. Election to the Hall of Fame recognizes a person's **everlasting contributions to the sport, the GSPCA and/or the breed** and is considered one of the highest honors in this time-honored sport.

The German Shorthaired Pointer Club of America Holds in Highest esteem the Individuals who have made an outstanding contribution or contributions to the welfare and advancement of the German Shorthair Pointer above the ordinary and beyond personal benefit. **Many people have selflessly worked toward the betterment of the breed through specific jobs or individual acts but only those persons who have made clearly documented achievements that have had an everlasting effect on the betterment of the breed shall be honored.** The German Shorthaired Pointer Club of America established the HALL OF FAME to honor these individuals, forevermore.

Nominee Name Katrin Tazza _____ ☒ Living ☐ Deceased

Member Number 1093FOJN _____ **Length of Membership -- Since 1973 or 50 years**

PLEASE ANSWER THE FOLLOWING QUESTIONS. A SEPARATE DOCUMENT IS ACCEPTABLE BUT IT IS DESIRED THAT IT IS IN THE FOLLOWING FORMAT. Please be able to document each answer.

- What is the individual's overall history with the GSP?

Katrin Tazza and her family owned their first German Shorthaired pointer in 1972. Her father was an avid hunter and the dog was a beloved member of the family. While attending college, Katrin obtained a GSP bitch named, Grass Roots Abigail. Katie put a CD title on Abigail and in 1974 produced a litter of puppies. One of those puppies (Ch Higgins Up N'Adam UD) introduced Katrin to the conformation show ring. A desire to improve her breeding stock prompted Katrin to obtained a finely bred GSP from John and Helen Herring. This lovely bitch Ch. Up N'Adam's Windsong Mariah CDX, was an award-winning producer and became Up N'Adam's foundation bitch.

Since 1974 Up N'Adam bred dogs have been awarded over 360 titles. Those titles include 23 Dual Champions, 28 Field Champions, 16 Amateur Field Champions, 99 Show Champions. 4 Grand Champions. 25 Companion Dogs, 9 Companion Dog Excellent, 4 Utility Dog, 6 Utility Dog Excellent, Obedience Grand Master 9, Obedience Trial Champion, 1 Tracking Dog, 1 Therapy dog, 75 Junior Hunters, 1 Junior Hunter retriever, 27 Senior Hunters, 8 Master Hunters, 5 Versatility VCX, VCA, VC. Other prestigious accomplishments include: 2 Up N'Adam dogs are in the GSPCA Hall of Fame, National Amateur Field Champion, National Open Gun Dog Champion, National Specialty Show Best of Breed, National Specialty Best in Sweeps, Open Limited Gun Dog of the Year, Amateur Gun Dog of the Year, Top Ten Field, Multiple - Dual Producing Dam and Sire of the Year. Those are just the Up N'Adam title awards!

In addition to producing award winning dogs, Katrin Tazza has worked through the decades promoting good sportsmanship, health and welfare while demonstrating a commitment to various local and national clubs including judging. Perhaps Up N'Adam kennels is best known for producing Dual Champions. Pursuing titles in both Conformation and Field Trialing ensures the preservation of the natural ability, versatility and biddability the GSP is so well known for.

- What achievement(s) did the individual make that has had an “**everlasting effect**” on the GSPCA, the breed and/or the sport?

When a devastating genetic illness showed up, Katrin Tazza did not shrink away and hide from the occurrence. Lupoid dermatosis had been around for some time. It was not talked about and less understood. Katrin Tazza stepped up to support research, education and outreach. She did this by not only offering financial support but also by making others aware of the disease. Katrin reached out to the University of Pennsylvania and to Dr Margret Casal hoping that together they could find some answers. A team dedicated to finding those answers and developing an understanding of the genetics worked for 10 years on the problem. They developed a genetic screening test for lupoid dermatosis. While there has been some controversy, this test offers breeders a useful screening tool improving the health and welfare of animals produce.

Katrin Tazza was among the first to recognize the need and call for cardiac testing to be included in health screening tests for GSPs.

Up N'Adam Kennels is one of a few breeding programs famous for producing Dual Champions. As such it was Katrin Tazza who suggested offering the Dual Champion Class at the National Specialty Show. Her continued leadership, promotion and support for the use of dogs in the field, for hunting, companion events as well as in the show ring has contributed to the breed remaining true to purpose.

- Has the individual adhered to the AKC Code of Sportsmanship and to the GSPCA Membership Code of Ethics? ☒ Yes ☐ No

From my personal experience, Katie has welcomed and supported my earliest efforts to participate in Field Trials, Dog Shows and National Specialty Events. She has been a resource, a mentor and supporting individual. Up N'Adam kennel has provided support and mentoring to many GSP owners of dogs she produced through her breeding program and dogs she has not produced. Offering sportsmanship, experienced guidance and expertise to people encountered in the fancy. Up N'Adam breeds dogs adhering to health clearance criteria and she stands behind every puppy produced.

- What additional information should be considered as a part of this nomination? Include GSPCA service, local club service and mentorship of fellow exhibitors.

Summary of activities since last submitted report:

To date only one request from and AKC Judge that noted she could not find it for sale on the website. I explained it is available in a digital format with the updated approved wording and illustrations and can be downloaded but the only printed one were illustrated in brown and did not have the new wording. Committee: Judge's Education

Report Prepared By: Maxine Moinier

Date: 1-5-24

Liaison: Dominic Pettinato

1. Provide a summary of activities since last submitted report:

It was a very successful JE opportunity. We had about 30 attendees for the Seminar and Hands-On Workshop. I was able to encourage 11 dog/handler teams to join us for the Hands-On Workshop that followed. Attendees were thrilled with the quality of dogs and the number of dog/handler teams they were able to observe. Shelley and I provided Ringside Mentoring throughout the rest of the week and left Orlando Saturday morning.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

The feedback we got was very positive. My take away is that I will continue to work on our Presentation to improve how we deliver the message to reach the many different ways people learn. One thing I would consider doing differently is to offer Ringside Mentoring on the Saturday as well. The reason is that all the AKC other Breed JE Seminars completed on Friday so we may have had a few more people looking for Ringside Mentoring on Saturday

3. Financial Summary and planned future budget (include any explanations of a loss/decline):

Expenses for Orlando, FL GSPCA Judges Education:

Airfare return from SEA for Shelley Schwerdt paid by Shelley \$437.79USD

Courier - Jump Drive for Materials for AKC/DJAA Seminar \$63.40USD

Total owing to Shelley Schwerdt \$501.19 USD

Items paid for by Maxine:

Airfare return from SEA - \$493.83USD

Rosen Center Hotel accommodations shared with Shelley - \$713.56USD

Photocopies for AKC/DJAA Attendees (insert for Illustrated Standard) \$185.67USD

Total owing to Maxine Moinier \$1393.06 USD

4. Committee Needs (please list in order of importance):

Note: I will be presenting the GSPCA JE at the Oregon Dog Judges Association Seminars at Rose City Classic Cluster Saturday Jan. 20th, 2024 and be available for Ringside Mentoring all 5 days - we have about 20 Attendees Registered so far and will plan for 25. I will not be submitting any expenses other than photocopies, materials, etc.

I will be offering online Judges Education Session starting in February 2024 - there will be sessions available for GSPCA members, new to the breed/fancy. These will be advertised through the club media.

5. Action Items for Board consideration:

I am working on a Mentor program for want-to-be or new, maybe even experienced Breeders.

German Shorthaired Pointer Club of America BOD Meeting/January 2024 Committee Report

Committee: Website

Report Prepared By: Missy Neal Date: January 2024

1. Summary of activities since June:

- a. Marty has started making updates to the Health & Welfare section, all good as far as I'm aware
- b. Lorelei is successfully updating her sections (Membership, Clubs, Breeder Listings, New Puppy Buyer)
- c. The NFT results were posted as soon as they were sent to me by the event secretary
- d. 2024 NSS Site is built and open to the public. Diane P put together a brochure last fall and wanted the new site to reflect her design. I'm still waiting on the committee to get the early items going (Catalog Ads, Trophy Donations) but the Reservations and Agility Trial are posted
- e. I've started a new thing on the home page, using the image there to call attention to one of our programs. First up for January is Registry of Merit
- f. We've had a couple instances of site downtime due to technical issues, but most of these times no one seemed to notice and the site was back live quickly. Rip is widely available to deal with these things, thankfully
- g. There have been a couple of hiccups related to the site transfer by subcontracted vendor. The most recent example was when I spent two days trying to figure out how Monika had built the Top 25 site with my pearl/bowtie background, because now we want to change that background. Rip helped with this, and he could not figure it out either and ended up submitting a help ticket with DIVI to get to the bottom of the mystery. This is a matter of the subcontractor being more advanced than either of us but we will find the spot on the database where she tucked the code away, and be able to update it.
- h. Overall, I continue to be impressed by the ease and speed of making updates on this new platform.

2. Plans for the future:

- a. I found a new Calendar app that is superior to the one we had installed with the new website. This one looks better, and should be easier for volunteers to navigate. Lynn did find a couple of volunteers, but that effort is on hold due to logistics. I will be getting into it more over the winter, and hopefully have a system set up for volunteer input by spring. In the meantime the Calendar link is inactive. *this volunteer will need access to the back office of the website, so they'll need training sessions by myself or Rip before starting the work*
- b. We still need to transfer the domain from Network Solutions to Abacus Arts (before May)

- c. We need to make the site accessible to ADA standards. I've discussed this with Rip and we plan to work on it this spring. See: <https://www.siteimprove.com/glossary/ada-compliance/> I will discuss with Becky when we find a product to implement this, and will then draw up a proposal for Board consideration at the June meeting

Committee: Juniors

Report Prepared By: Lynn Pettinato

Date: December 24, 2023

1. Provide a summary of activities since last submitted report:

We have held 3 meetings since the June board meeting with the new junior committee. The committee includes Jami Meath, Dani Lee, Jennifer Blair, Lynn Pettinato, Becky Feigh and Sharon Fitzpatrick. We have discussed being more inclusive of performance juniors and how we can open things up to them more. We have discussed the scholarship program. Discussions about awarding versatile juniors scholarship awards, similar to those at the Nationals that win Best Junior. Adding Pee Wee again to this Nationals. Karen Nauer is judging. Offering reduced pricing for juniors in Rally, Obedience and Agility. Prizes will be offered for the highest scoring junior in obedience and rally at the Nationals too. Kim Trczinski will be bringing agility items to the NSS for juniors to try agility and to have demos. Working on demos with the rally and obedience community as well for juniors. Hoping to run this in conjunction with the junior luncheon and hands on conformation with Valerie. Requesting updates to the juniors portion of the website to include parent and junior education.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

Come up with award timeline for Performance and Companion Events (use AKC timeline?)

July to June

Awards based on Conformation, (\$500) Performance (\$500) and Companion Events (\$500)

Versatility (\$500) - Ask for board approval

What kinds of awards would you like to see? Essay for scholarship application before the nationals to request entry or stipend.

3. Financial Summary and planned future budget (include any explanations of a loss/decline):
4. Committee Needs (please list in order of importance): Update of website and discussion of local club support to have FREE junior events for juniors to include junior hunts. The parent club could contribute from the junior fund to help defer the costs of birds (\$250 maybe, when local clubs apply).

5. Action Items for Board consideration:

Reconfiguration of scholarship money

Funds for junior events at local club levels to reach new juniors in lower performing junior areas (hunt, agility, obed/rally)

Committee: Meet the Breeds

Report Prepared By: Denise Avery

Date: January 2024

Liaison: Becky Feigh

1. Provide a summary of activities since last submitted report:
Meet the Breeds, Chicago – 08/26 & 27/2023, covered by the Ft Dearborn Club
Meet the Breeds, Columbus – 10/14/2023, covered by several individuals from the area.
2. Indicate any changes made for improvement, result of changes and any requested future changes:
We are preparing for MTB NYC on 01/27 & 28. I have several volunteers lined up and look forward to another exciting event.
3. Financial Summary and planned future budget (include any explanations of a loss/decline):
A sizeable stipend is received for each event that goes to the GSPCA treasury. Dean can confirm, but I believe \$500 is sent for the one-day events and in the past, \$900 for the 2 day events. I expect this to be \$1000 for the upcoming NYC event. The AKC's intent with this stipend is to offset expenses incurred by the volunteers. Unfortunately, very few individuals submit receipts for expenses. I feel we should be using this stipend in the manner the AKC intends and I am wondering if a set amount should be given to each volunteer if expenses are not requested. My desire in this is that volunteers are shown appreciation for participating. I cannot speak for the Chicago and Columbus events, but the NYC one is very expensive with traveling into the city, parking expenses etc. (Full disclosure-I personally submit receipts and am reimbursed for my expenses at the NYC event, I will state again-my desire is for the other volunteers.) I would appreciate some board feedback on this.
4. Committee Needs (please list in order of importance):
We use QR codes at the booth for people to access GSP and GSPCA information. At the first NYC event I attended several years ago, the AKC provided trading type cards for each breed, these were a HUGE hit. Unfortunately, the AKC decided they could no longer provide them for financial reasons. Last year, Emilie Laston had the same type of cards made up, but for the individual dogs we had in the booth, again a huge hit especially with kids (we had requested the GSPCA fund these but were denied). My experience is that people do appreciate having something to take away with them from the booth. I propose we have cards printed with a general breed description and picture on one side, the QR code and website information on the other be purchased and provided to each event.

Another suggestion is matching GSPCA T Shirts for the booth volunteers and perhaps bandanas for the dogs.

German Shorthaired Pointer Club of America BOD Meeting/January 2024 Committee Report

Committee: Social Media

Report Prepared By: Lynn Pettinato Date: December 24, 2023

1. Provide a summary of activities since last submitted report:
2 formal meetings with the social media committee since June 2023. Constant text message dialog with the ladies in the committee. The committee consists of Keleigh West, Maren Onaindia and Lynn Pettinato. Each of us takes one week to provide content to social media. The rotation seems to work well. Each person has a special technique or skill and it seems to spark varied conversations amongst members and GSP enthusiasts.

2. Indicate any changes made for improvement, result of changes and any requested future changes:

Maren sent the following information –

After the talk we had recently to gain more followers, I think trying to do a contest/giveaway at least 3-4 times a year would be fun and great with engagement. Maybe a couple of them could be items purchased by the GSPCA (like a big bag of bully sticks, an e-collar, or something GSP related), while others could be collaborations with other companies that are willing to offer a free item to us.

I'm not sure if this is up for discussion, but it would be nice if we could consider allowing photos in the comments. All other groups/clubs I follow online seem to get a lot of engagement from photo comments.

Overall, I think the social media has been great this year and I've really enjoyed being part of the team!

3. Financial Summary and planned future budget (include any explanations of a loss/decline):
Continue to pay for things that help educate us and create content.

4. Committee Needs (please list in order of importance):

Consideration to pay for a few items to increase engagement not to exceed \$150 annually

5. Action Items for Board consideration:

Allow members to add pictures in comments on social media. We have not allowed that in the past, as it was set up that way.

Pay for giveaway items to increase engagement in followers, etc

German Shorthaired Pointer Club of America BOD Meeting/January 2024 Committee Report

Committee: ____Yearbook____

Report Prepared By: ____Deb Broad____ **Date:** January 2024____

Liaison: Tiffany Cessna

1. **Provide a summary of activities since last submitted report:**

The combined 2020-2021 yearbook was completed. Not without its challenges due to size. There was a binding issue which continued to go wrong with every turn. Surprisingly, there are still a lot of supply chain issues out there, but my printing company came to the rescue again and hung with it to a good resolve.

2. **Indicate any changes made for improvement, result of changes and any requested future changes:**

We used a new binder, since the last book was thicker than expected, which worked out well. We may use these 3 ring binders again (as some were done in prior years as well) for each individual book going forward, due to the lesser cost and ease of page changes/corrections if needed. The prior laminating cost for front and back covers, as well as cost for spiral binders/binding was quite a bit more per book than doing it this way. As long as the future books meet the size requirements, It should work well. I would also like any input, pros and cons, from anyone that has both types of binders in their collections.

3. **Financial Summary and planned future budget (include any explanations of a loss/decline):**

Going forward, as well as cutting cost on binders, we are working on a system to eliminate the printing and mailing of the orange title cards to owners of title holders to advertise in the books.....the time involved in preparing the information for printing, the printing cost and mailing cost seemed to be such a loss. Now that we are catching up with years (2022 is near completion to start accepting ads, and the 2023 is waiting for "end of year" files to go forward. These books will not be combined, Each will be separate years). we are going to try using email for the announcements to advertise in the book(s) as well as social media instead of the mailed post cards.....

4. **Committee Needs (please list in order of importance):**

If I could get (which I used to in the past), one of the marked national specialty show catalogs each year. This would help expedite information gathering/verification for that section in the book when needed. I am currently waiting for copies of some of the pages to finish it up for 2022. If I had a marked catalog, I could type in missing information that I need. I am not sure who handles these but could contact them ahead of time if I had a contact to assure one was sent to me.

5. **Action Items for Board consideration:**

I had a critical error and near permanent shut down with my computer while completing the last book. Again, the size, pictures and data that goes into the books, especially **storage** of all the files, pictures etc and two books at a time, was a bit much for the current drive/format. Sometimes I have over a dozen programs up at a time, full of data, to do the transfers that I need to do. I did have the back up computer at that time to switch to, which I also opted to have a huge hard drive inserted right away to avoid this problem again, but now have no back up for that one that I switched to. I would need consideration to purchase (within reason) a back up to have on hand so that I do not have any set-backs if anything happens again. I was able to be back up-and-running pretty quickly after the data shift to the other computer. With my connections, I would think, to do this, shouldn't be more than 5-8 hundred dollars. That includes all data transfer for it to be up to speed. I am hoping to find that price range so that I can use the same operating system, which includes a virtual computer inside as well, a special feature for the book design, and software. If it is more or needs more changes, I can advise before I buy.....It has been some years since the club was so generous to give me the funds which purchased the other when it was new, so I think we got good use of it with only a few adjustments. We all know too well, that if something is going to go wrong, it will be at the most inopportune moment. LOL

Thank you and hoping all stay well.....!
