The group discussed plans to raise the entry fee to \$275 for stakes, while keeping the futurity fee unchanged. They addressed concerns about the classification of shooting dogs in gun dog stakes and the need for more volunteers. The committee examined merchandise

sales and logo design, suggesting moving away from on-site sales and considering online pre-orders. Dean highlighted a significant drop in revenue from entry fees since 2021 and emphasized the need to reduce fixed costs, particularly for trophies and wranglers. It has also been discussed several times in BOD meetings that the NFT should only supply a 1st-place trophy, not for 1st to 4th place, to help reduce costs, along with the importance of raffles and their potential to raise more funds. The BOD also discussed the importance of regular attendance at meetings, including the GSPCA Recording Secretary and the GSPCA Treasurers, along with their GSPCA Liaisons, to improve communication between the NFT Executive Committee and the GSPCA BOD.

Action Item: Lynn Pettinato works with Dan Schoenfelder to prepare and email a blast to solicit volunteer help for the NFT.
